THE SENIOR CLASS OF 1957

Shattuck School, Faribault, Minnesota

REGINALD L. KRAMER

DEDICATION
TO
MR. REGINALD L. KRAMER

Whether on the athletic field or in the class room, practically every student at Shattuck has become acquainted with and has come to like Mr. Kramer.

During his many years at Shattuck, Mr. Kramer has given unselfishly of his time and wisdom in order to do his part towards helping each student to obtain his ultimate goals. He has done this not only in athletics but also in the classroom by pointing out the characteristics that made other men great. Through his unique methods of teaching, he has never failed to keep a class totally interested.

With his outstanding traits of friendliness, cheerfulness, experience, and teaching ability in mind, we, the Board of Editors, respectfully dedicate the 1957 **Shad** to Mr. Reginald L. Kramer.

FOREWORD

Oliver W. Holmes once said: "The best of a book is not the thought which it contains, but the thought which it suggests."

We, too, hope that this yearbook will serve as a means whereby we can best recall those days which we spent here. Since no pen can record all the anxious moments or the times of dejection or elation we have experienced, we have tried to preserve that which best symbolizes our life at Shattuck. Therefore this yearbook is not only a record of our activities, but a symbol of what we stood for. The significance of the thoughts expressed and suggested in its contents can only be felt by those of us who have toiled here.

It is with a sense of sorrow that we leave these days behind us, but we know they will never be forgotten.

FACULTY

TO THE FACULTY

The men of the Shattuck faculty are almost unusual among teachers in that they serve the students so well in so many ways. Whether it be in the classroom, on the athletic field, in the work shop, on the stage, or in their own homes as counselors and advisers, they are always there to help.

But even more important than their teaching and coaching aid is the model of a way of life they set for us. It is a life of devotion and unceasing interest, a life of selflessness and dedication to the all important job of educating the youth of our great country.

It is to these outstanding men that we, the class of 1957, now take the opportunity to express our appreciation and gratitude.

THE REV. SIDNEY W. GOLDSMITH, JR.

Rector and Headmaster

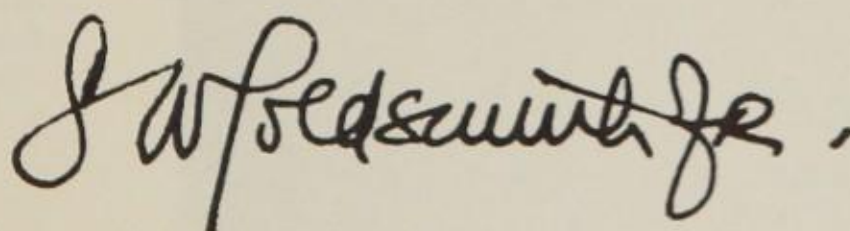

A.B. Williams College 1940, Chi Psi, Delta Gamma Rho; B.D. Virginia Theological Seminary 1948; Associate in Christian Education, Pasadena Presbyterian Church, Pasadena, Cal. (1941-1942); Line Officer, Lieutenant, J.G. Navy Amphibious Forces in South Pacific (1942-1946); Ordained Deacon 1947; Ordained Priest 1948; Assistant Rector, St. John's Episcopal Church, Williamstown, Mass. (1948-1950); Shattuck since 1950.

To the Members of the Class of 1957:

Almighty God unto whom all hearts are open, all desires known, and from whom no secrets are hid; Cleanse the thoughts of our hearts by the inspiration of Thy Holy Spirit, that we may perfectly love Thee, and worthily magnify Thy Holy Name, Through Christ our Lord. Amen.

The Collect for Purity which opens our Communion Service, and which time and again we have said together in our corporate celebrations of the Holy Eucharist in the School Chapel, speaks to THE central fact of life: namely, that Almighty God our Heavenly Father, is one from whom we can NEVER escape. He is above us and within us, beneath us and behind us—in public and in private, in light as in darkness. This collect reminds us that one of our seeming constant quests—INDEPENDENCE—is utterly impossible. The fundamental law of life is that this is God's world, not ours; that we are utterly Dependent, and that our denial of this law does nothing but confuse and frustrate, separate and hurt, both us and others. We are created beings, and we must never forget that our fullest development will only come as we conjoin ourselves to Him from whom we spring. Just as ultimately we must recognize our Dependence on Almighty God, so too we must sense the Dependency of others upon us. Only as we recognize this fundamental law of Dependency can we appreciate and fulfill our intended role in life.

For you as a class, made up as you are of many unique individuals with much by way of real potentials and strengths, my continuing prayer will be: THAT YOU MAY EVER SEEK TO HARNESS YOURSELVES MORE FULLY TO HIM WHO IS THE SOURCE AND MAIN SPRING OF LIFE. May you turn to Him daily in a humble awareness of personal limitations, of your need for His cleansing power and His refreshing strength. Only by turning to Him in such a spirit can we come to realize all that we are intended to be and to become—"for His is the greatness and the power and the glory and the victory and the majesty." All things come from Him and to Him we must thankfully turn if we are to keep ourselves in tune with the plan he has for our lives; toward this end, each of you will be in my thoughts and prayers very often.

THE SENIOR CLASS

Today we graduate; tomorrow, we will put into practice what we have been taught in the fields of religion, studies, athletics, society, and R.O.T.C. at Shattuck.

Our accomplishments as a class have not been great, although what we did accomplish was done with a willing spirit. The absolute abolishment of the "new boy" system high-lighted our achievements. This step taken by our class shows that we have a realization of the fact that the world is progressing and that, in order for a school such as Shattuck to produce well educated young men, we must keep up with the times. We sincerely hope that next year's class will profit from our mistakes and follow our constructive steps.

We, as a class, should realize that we are only going to get out of life what we put into it. Likewise, we have gotten out of Shattuck what we have put into the school: some of us have learned a lot; others not so much. The only words of wisdom that we can pass on to the underformers are "put your best foot forward and do the best you are capable of doing."

THE JUNIOR CLASS

We, the Centennial Class of Shattuck, will face many responsibilities during the coming year. As a class we are united and feel that we will be able to carry the serious responsibilities of our senior year. Under the guidance of this year's senior class, we have learned much and have profited from their experiences.

As the 100th Anniversary Class, we will be under close observation by many people. I sincerely believe that we will be capable of handling any problems that come our way. If our class remains united as it has been this year, we shall have a good senior year. The Class of 1957 has handed us the responsibility of carrying on the new policy dealing with the "entering students." It will be our job to make the policy workable.

We sincerely wish to express our appreciation to the senior class for the help and guidance they have given us through this school year. We only hope that we can profit from their teachings and lead the school through an outstanding Centennial year.

“S” CLUB

The “S” Club is composed of students who have earned their letters in any of the varsity sports at Shattuck. This year the organization has sixty-three members.

The group’s adviser is the athletic director, Mr. Tricker, who accomplished much in furthering sports at Shattuck. The club’s president is Don Hitesman, who performed the remarkable feat of earning twelve letters in four years, which is the largest number any student can earn. Don earned four letters each in football, hockey, and baseball.

Each year the club sponsors the Homecoming dance, which was a large success this year. After selling Homecoming buttons, the club donated the money they had earned to the purchase of a new batting cage for the baseball team.

Every student who participates in athletics looks forward to the honor of membership in the “S” Club.

FIRST ROW: Mr. Tricker (coach), Woodward, Holden, King, L., Mack, Hitesman, Speir, Kerr, Barbour, Day.
SECOND ROW: Howden, Hillenworth, Morseman, Terry, Rey, Smith, R., Komatz, Gudzin, Mr. Mealey (coach). **THIRD ROW:** Gundry (manager), Wilcox, Strand, Hart, Mull, Adams, Roach, Mills, Simons.

FOOTBALL

After one year's absence from the M.I.S.L. Conference, the Shattuck eleven returned this year and found the league a little tougher than usual. The other teams in the conference had a lot of returning lettermen and made things tough for the Shads. Another blow hit the team early in the season when the head coach, Mr. Tricker, was stricken with a heart attack that kept him out of action for the rest of the season. During Mr. Tricker's illness, Hockey Mealey took over as head coach and did a good job.

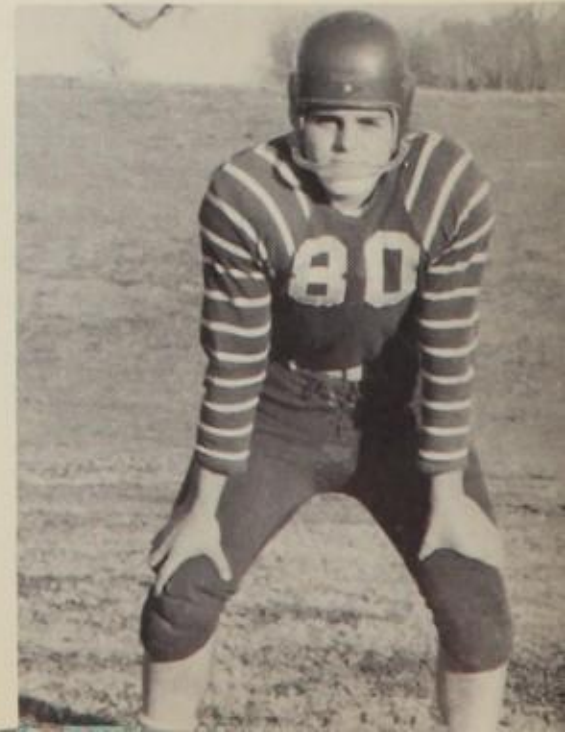

Finishing fourth in the conference, the Shads ended their season with three wins against four losses. The Red and White team ran out of the single wing along with the "T" formation. Leading the Shad crew was Captain Don Hitesman. Don played fullback and quarterback for the team. His ability to pass along with calling the signals led him to be named as the All-Conference quarterback. Also named for the second team was Dave Holden, who played guard for the team.

The Capron Trophy, awarded to the most valuable player in the eyes of the team, was given to Don Hitesman at the lettermen's banquet. During the banquet it was announced that Tom Komatz would be next year's captain. Tom comes from St. Peter, Minnesota. Playing halfback, Tom is a two-year letterman. Next year's squad will include twelve lettermen.

Holden

Hitesman receives most valuable player trophy.

Komatz

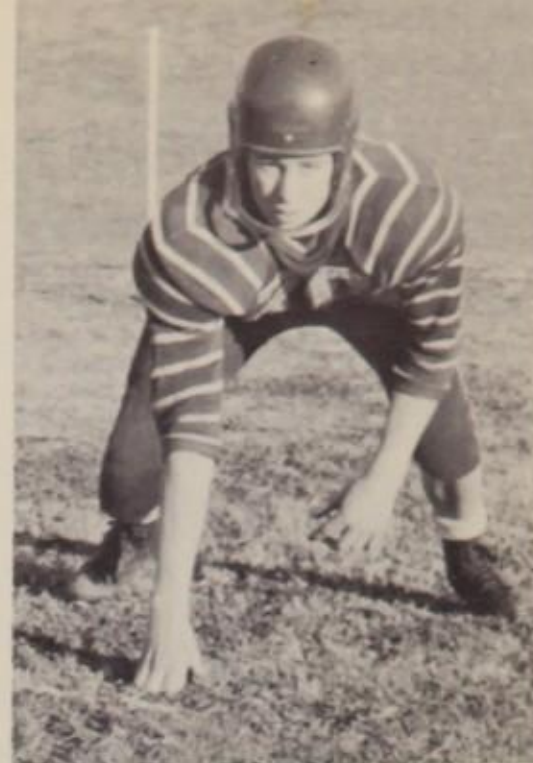

Ron Barbour

Charlie Day

Audry Kerr

One of the highlights of the season occurred in the final game with Concordia when Hitesman kicked the first field goal for Shattuck since 1925. The kick was booted at an angle from the 23-yard line. Hites did the kicking for the Shads this season and produced some boots that compare favorably with college kicks.

The Shad backfield was composed of three seniors and one junior. The quarterback was Pete Braginton, until a mid-season injury put him out for the rest of the year. Pete was the blocking back for the team, and his injury left a big hole in the squad. Taking over for Pete after his injury was Charlie Day. Chuck, a converted halfback, did an excellent job considering his mid-season shift.

At the wingback slot for the Shads this year was Louie King. Louie, a three-year letterman, was one of the best on this year's squad. A shifty back with breakaway speed, Louie was the top scorer on this year's team. The Leper turned in his best performance of the year against S.P.A. when he scored three touchdowns and set up a fourth.

Don Hitesman was at the fullback slot for the Shads this year. His strong determination and drive led him to be the leading ground gainer this season. His graduation will leave a big hole next year.

The only junior in the backfield was tailback Tom Komatz. Tom will be center for next year's ground attack, and he can be counted upon next year to be a dangerous back.

Also returning next year will be Louie Mull and John Wilcox to the Shad backfield. Louie, a freshman this year, played wingback, while John played quarterback.

The Shad line was anchored by four seniors this season. Holding down the end spots for the Red and White were Johnny Mack and Ron Barbour. Both were seniors and played on last year's team. Ron was hurt in early football and did not see action 'till later in the year. Probably the quietest member of the team was John Mack, who always turned in a good job. Bob Woodward, another senior end, was hurt in the second game of the year and did not see action for the rest of the year. A junior, Gene Gudsin, also saw quite a bit of action and will be a strong member of next year's team.

Louie King

John Mack

Bob Speir

Playing tackle for the Shads were Bob Spier and Tom Fillenworth. Bob, a senior, was excellent in defense and turned in his best performance of the year in the opening game against B.A. Tom, although only a sophomore, played good ball and has two more seasons in which to show his goods. Two other juniors, Sid Hart and Bob Mills, earned their letters at tackle and will be back next season to help the team.

At guards for the team were Dave Holden and Pete Adams. Willie's all-conference talents will be missed a lot by the team next year. Being the lightest man in the line made no difference to Dave, as he fought hard all the time. Pete took over his starting position midway in the season but then held it and turned it into a good job. Coming back next year, he will be a toughh lineman to reckon with. Also playing guard was senior Aubrey Kerr. In his second year on the varsity, Aubrey did a good job for the Shads.

This year's center was junior Ward Morsman. Although playing his first year on the team, Ward was one of the stalwarts of the Shad line and will be a strong member of next year's team.

After returning early for practice, the team opened their season against cross-town rival B.A. Still smarting from last year's defeat, the B.A. team struck fast and hard, and Hartman raced fifty yards to put the home team ahead. Just before halftime Hitesman threw a pass to Woodward that was good for forty yards and a touchdown. Hitesman converted, and the Shads led 7-6 at halftime. The lead lasted for only a short time, for B.A. put on a sustained drive, and Simon raced into the end zone to give B.A. a 12-7 victory.

In their second game of the season, Shattuck was pitted against a very strong team from Blake. Behind an array of strong backs led by Jim Lane, the Hilltoppers easily beat the Shads 20-0. The Shads' only threat came in the third period when Gudzin picked up a fumble and scored, but a penalty called the play back.

Playing their second conference game of the season, the Shads downed Breck 12-0, despite the running of halfback Beech. Komatz and Hitesman scored in the Shads' initial victory.

Keeping their winning streak going, the Red and White team ripped past Pillsbury 50-0 before a large Homecoming crowd. Touchdowns came easily as the Shads pounded out their second conference victory, Tom Komatz led the touchdown array as he crossed the goal line on runs of three, twenty-eight, and fifty yards.

With their hopes up, the Shads were blasted by S.P.A. 41-26. Led by Groth, they scored four touchdowns, although the winners were hard pressed by the Shads. Despite the brilliant play of King and Hitesman, the S.P.A. boys hung on for a hard fought victory.

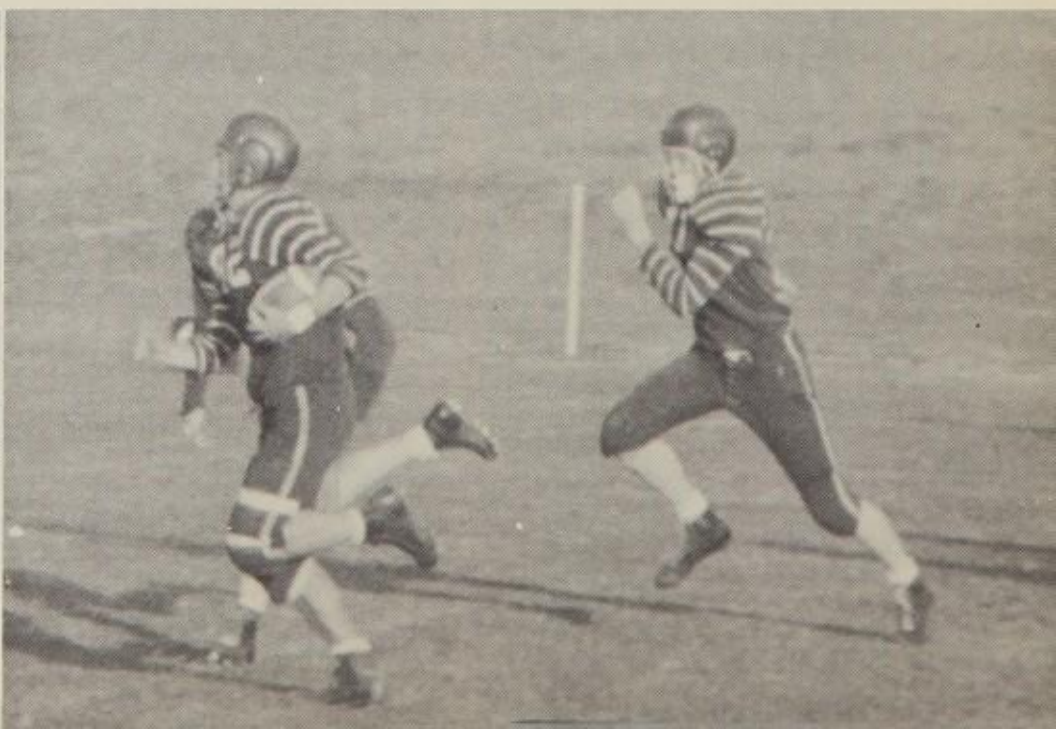

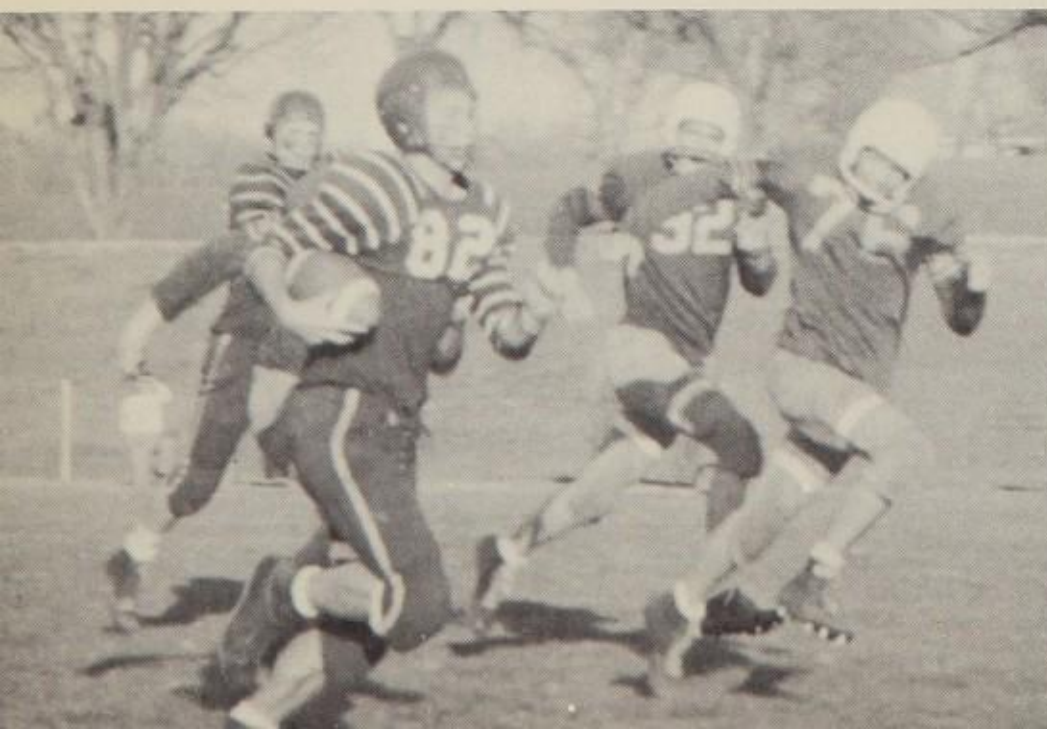

The Shads could not get up after their loss to S.P.A., and Minnehaha knocked them off 47-7. Johnson led the Indians with three "tds". Putting together long drives, Minnehaha did not falter as they blasted the Shads. A Hitesman-to-Mack pass in the final period gave the Redmen their only score.

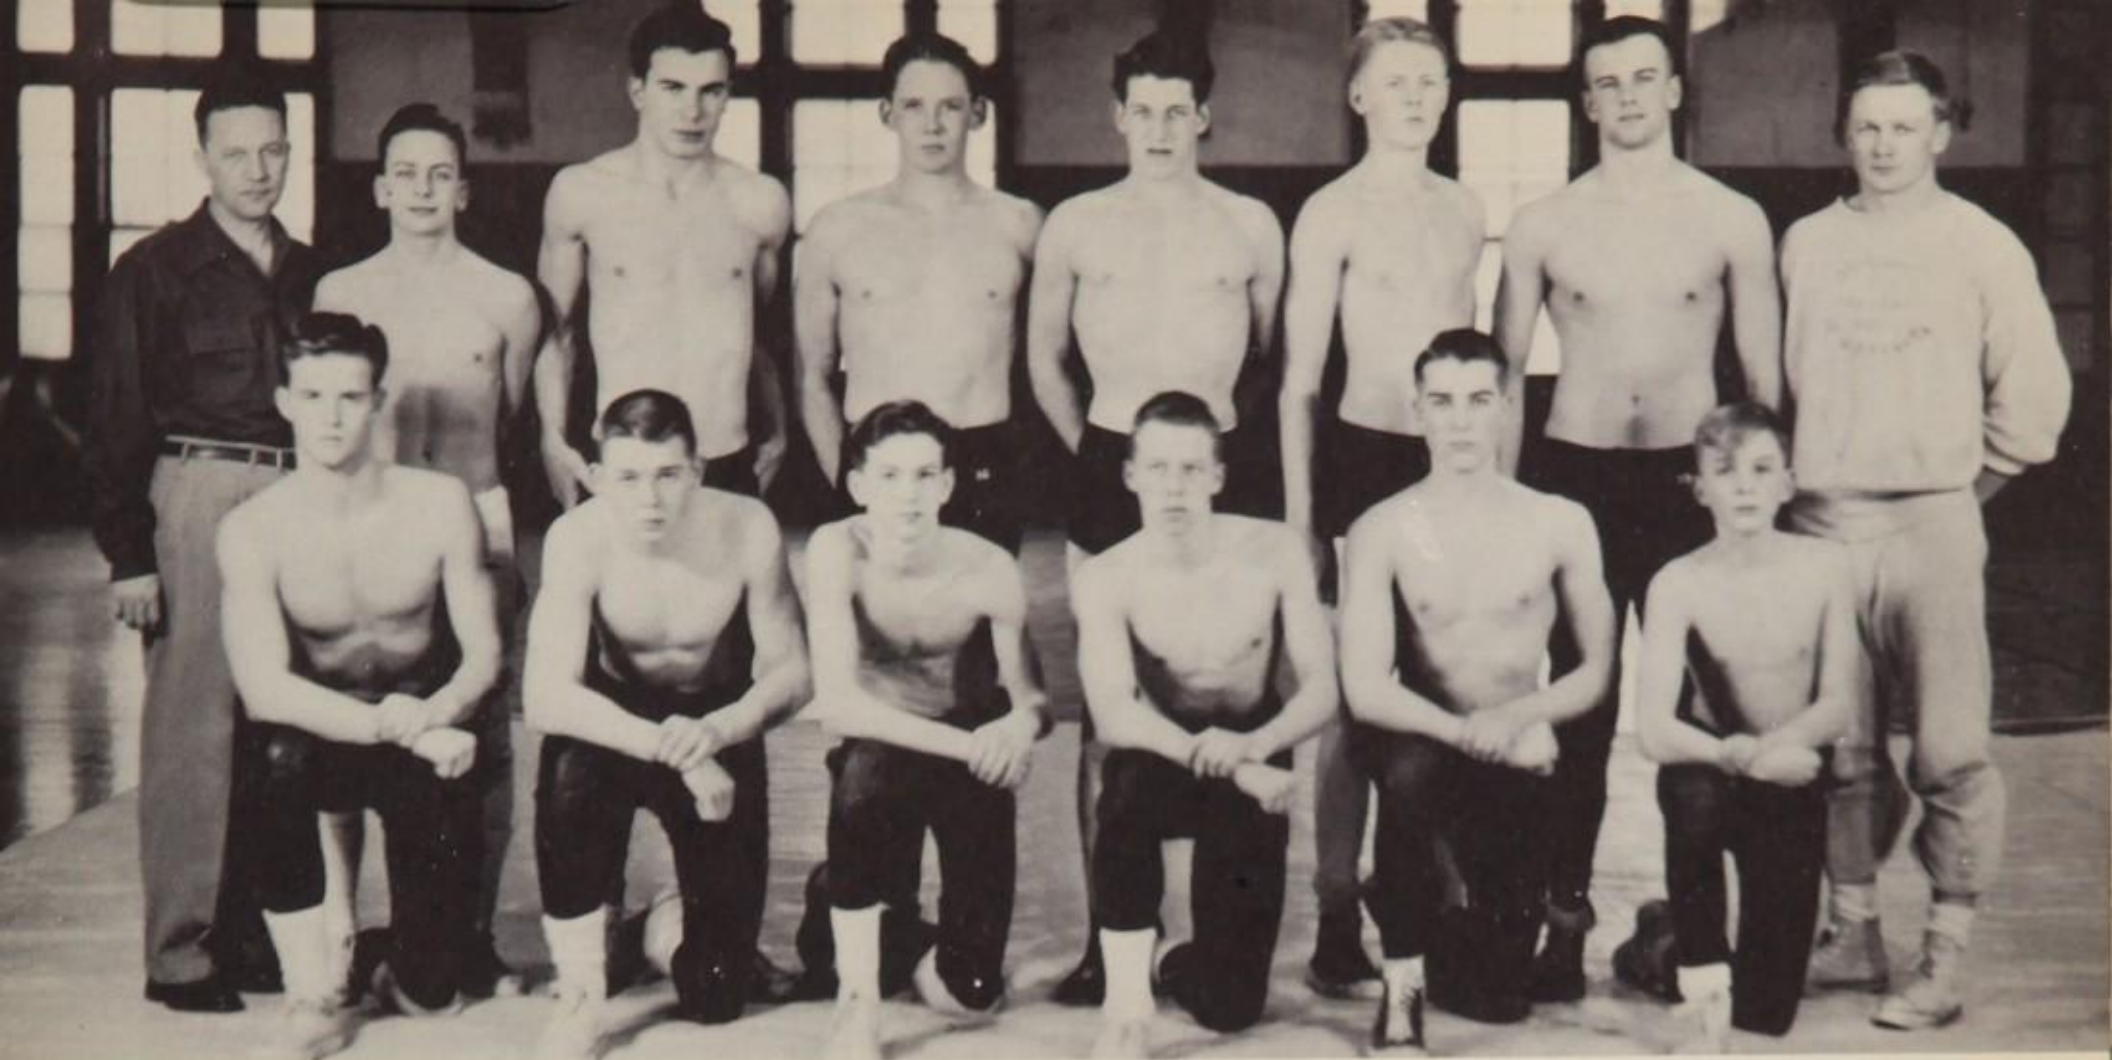

Playing their last game of the season against Concordia, the Shads pounded out an easy 35-7 victory. Once again it was Hitesman and King who led the Shads to victory. Hites kicked a field goal and scored a touchdown, while Louie scored twice, once on an 85-yard kickoff return as the Red and White team hung up their gear for another season.

FIRST ROW: Smith, R.; Nestler, Wohlford, Wirtz, P.; Mackay, Dave; Mackay, Don. SECOND ROW: Mr. Bailey (Coach), Swendson, McClave, Andersen, R. A.; Ham, Barrager, King, E.; Mr. Quist (Coach).

WRESTLING

The 1956-1957 winter season saw the development of the finest wrestling team in Shattuck's history. Coached by Mr. John Bailey and Mr. Dale Quist, the team was undefeated in fourteen consecutive dual meets. A thrilling climax was added to the brilliant season with the close, hard-fought decision over Concordia and Pillsbury in the annual Minnesota Independent Schools League wrestling tournament held in the Johnson Armory on Wednesday, February 27.

During the season the team was crippled by the loss of several key men, but the conscientious and hard work of all concerned was responsible for the spirit and drive demonstrated by the team.

The nucleus of this year's team was Captain Paul Wirtz, Dennis Wohlford, Roy Smith, Don McClave, Lee King, Rudy Anderson, and Don Ham. These men were the mainstays of the team and could always be counted on to bring home a victory.

The greatest strength of the Shad team came from Roy Smith, Don McClave, Lee King, and Rudy Anderson. Out of sixty-six matches, excluding the tournament, these men lost only two matches.

Much credit is also due to veteran Don "Rusty" MacKay, who showed great improvement as the year progressed.

Lee King, in the 175 lb. class, and Rudy Anderson, in the Heavyweight division, were undefeated this year.

Rudy more than ably filled "Man Mountain" Scheel's shoes as he pinned everyone of his opponents, except when the opposing team forfeited, and he never went into the second period of any match.

Lee pinned all but one of his opponents, demonstrating great skill against some very tough opposition.

The new men who added much to the team were David "Rusty" MacKay, holding down the 95-lb. class; "Oley" Swendson, making headway in the 112-lb. class; Steve Barrager, 133-lb. class; and junior Gus Nestler, wrestling superbly in the 138-pound division though out for the sport for the first time after playing Badger-Gopher basketball for two years.

Although these men lacked the skill necessary to be consistent winners, their hard work, interest, and fighting spirit contributed greatly to the team's winning ways.

Though the team will lose such veterans as Captain Paul Wirtz, Denny Wohlford, Don Ham, Lee King, and Rudy Anderson, its prospects for the Centennial year look bright and will center around Co-captains elect Roy Smith and Don MacKay.

By weight classes the team had "Dusty" MacKay in the 95 lb. class; as a newcomer this year, "Dusty" showed fine spirit and aggressiveness.

At 103 lbs., Senior Denny Wohlford did a remarkable job and was undefeated in the conference, losing only one all season, a non-conference match.

At 112 lbs., Bob "Ole" Swendson, a freshman, also had a very successful season and will be a valuable man in years to come.

Captain Paul "Tiger" Wirtz held down the 120 lb. class and could always be counted on for needed points. He was also undefeated in conference play.

Don MacKay, wrestling at 127 lbs., was a real fighter and one of the mainstays of the team.

Steve Barrager surprised many with his great improvement this season. He wrestled in the 133 lb. class. Being only a sophomore, he will be a valuable man during the next two years.

The 138 lb. class never had a regular man, the duties being alternated between Bob Brown and Gus Nestler.

Senior Don Ham, at 145 lbs., showed much improvement this year and could be counted on when in a tight spot.

Those Shads holding down the next four weight classes were junior Roy Smith at 154 lbs., sophomore Don McClave at 165 lbs., Lee King, a senior in a newly opened division, and the unbeatable Rudy Anderson in the Heavyweight class.

The Shads started their season with a revenge victory, 38-18, over Faribault High, a team that had walloped the Shads very badly last year.

Meeting their toughest M.I.S.L. opponent on December 8, the Shads went all out to score a 27-20 victory over Concordia.

Their last match of the year before Christmas vacation was against the Minnesota Braille and Sightsaving School. This was the season's closest match and victories by Captain Paul Wirtz, Don Ham, Don McClave, Lee King, and Rudy Anderson proved to be the deciding factors in a tense 25-24 Shad win.

Realizing they had something to fight for, the boys kept themselves in good shape during the holidays and came back to score resounding decisions over Pillsbury, 39-10, and Breck, 58-0.

The return match with the Braille found the Braille meeting a much improved Shad team. The Shads defeated them 35-16 to mark the first time the Shads had ever swept the series from the Braille.

The matmen then scored victories over Blake and Minnehaha by scores of 47-7 and 42-8, respectively.

During the Winter Carnival the Shads again took their vengeance on the Faribault team by winning 30-20. Ham, McClave, Smith, and King got pins for the Shads, while Rudy won on a forfeit.

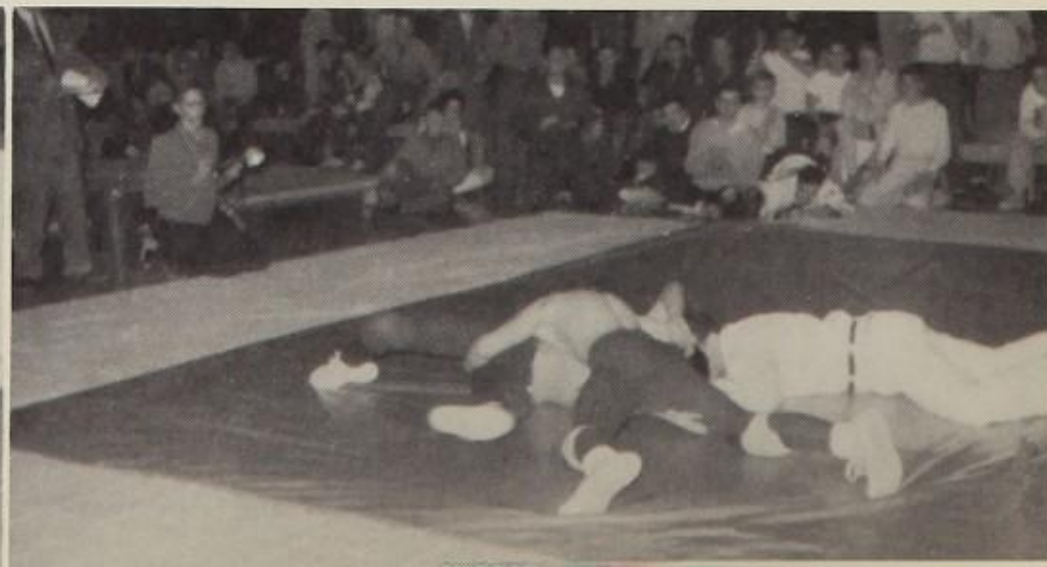

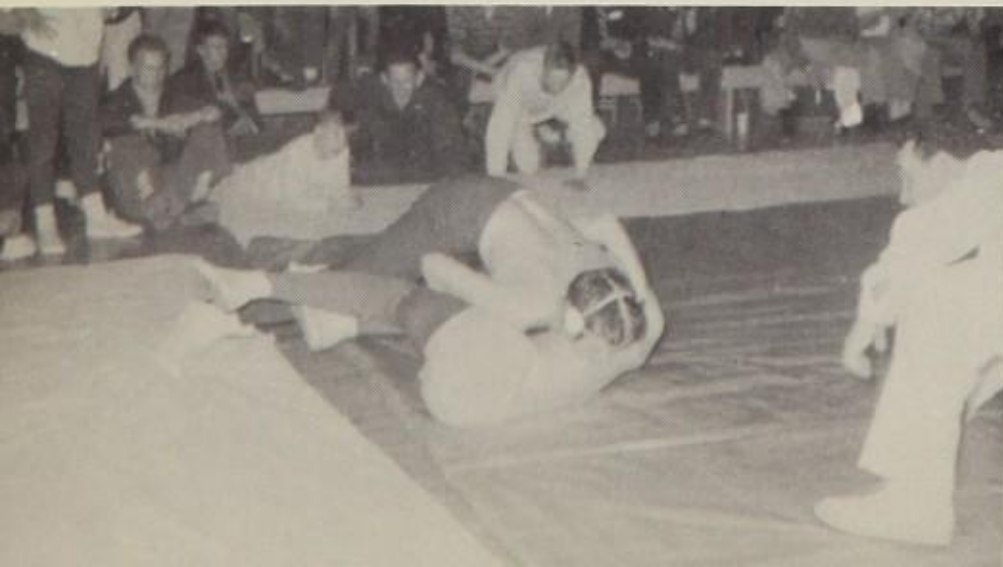

The Shads again demonstrated their superiority over Twin City teams by trouncing Concordia, Blake, and Minnehaha. They then tromped Pillsbury 34-16 to climax an undefeated season.

The annual M.I.S.L. tournament found the Shads meeting the best in the league and only the Shads' drive and will to win brought them through on top.

Led by gold medal winners, Captain Wirtz, Denny Wohlford, Rudy Anderson, and Lee King, the Shads pounded out a hard fought victory, scoring 96 points against Concordia's and Pillsbury's 86 apiece.

FIRST ROW: Tricker, Leach, L.; Turner, Hitesman, Barbour, Heinicke, Renwick, Nelson, Gustafson. **SECOND ROW:** Mr. Tricker (Coach), Thompson, P.; Buchanan, McDonough, McLandress, Zeigler, Gallagher, Martin, Strachen, Morsman, Chrissinger (Manager).

HOCKEY

Captained by Don Hitesman and coached by Mr. Tricker, the hockey team won its second straight league title with a record of thirteen wins and four losses. The squad played good hockey in every game of the season except for the tournament contest, in which they lost to Minnehaha.

The starting six for this year's champions were McLandress, goalie; Turner and Renwick, defense; Barbour, center; and Hitesman and Heinicke, forwards. The other boys on the "A" squad were captain-elect Leach, L. Gallagher, Gustafson, Martin, D., Norman, Morsman, Nelson, McDonough, and Tricker. Don Hitesman was the only member of the team to be named to the All-Conference squad which was picked at the end of the season.

Don Hitesman and Rod Barbour led the team in scoring for the third straight year, accounting for over half of the team's total points. Both boys, seniors, have added much to the team during their stays at Shattuck and will be missed by next year's team. Heinicke, Leach, L., Tricker, and Turner were the other top scorers. The sextet had a tremendous scoring average of five goals per game, but in scoring, also lay their weakness, for they allowed an average of 2.24 goals per game. Of the four games the boys lost, three of them were by one goal and the fourth was by two tallies.

Even though the weather was not too favorable just before the opening of the season, Coach Tricker's men started the season with six victories in seven days. They defeated Minnehaha, Rochester (2), S.P.A., and Des Moines during their winning streak. However, Shattuck was not so fortunate when they ran up against Blake in their seventh game. A combination of bad breaks plagued the Shads in their first meet with Blake. Although the team made twenty shots on the Blake goal, they were unable to hit the net and could account for only one goal. The loss put the team in second place in the league, where they remained until the last game of the season.

On the Saturday before Winter Carnival, Mechanic Arts of St. Paul traveled down to Shattuck and took home a well earned four-to-three win. The opponents' goalie proved to be the difference between the two teams as he made fifty-six stops to McLandress' fourteen stops.

Following the two heartbreaking defeats, the team bounced back and started to climb towards the league crown. They bumped off St. Olaf Frosh, S.P.A., Concordia and then went to Blake for the return battle.

Perhaps, the game that will be remembered the most by the team is the second encounter with Blake. The Shads were in second place, and many people had already counted them out of the race as Blake had beaten them before. Shattuck was at a definite disadvantage when they played Blake in that important contest: They had not skated for four days and, due to an unfortunate incident, Ron Barbour was not allowed to play. However, the sextet proved that where there was a will there was a way. They proceeded to play.

their best game of the year and knocked the mighty Hilltoppers off two to one. Leach and Heinicke got credit for the goals, but it really was Goalie McLandress' day as he played his best game of the year in making twenty-two stops.

Having beaten Blake, the team became a little cocky, and the Williams Arena jinx caught up with them in the M.I.S.L. Invitational Tournament. They fell to a fired-up Minnehaha squad, who had lost twice during the regular season to the Red and White Hitesman's men never could get the attack going under full steam until the last minute of the game and by then it was too late. However, they did manage to score two goals in less than a minute and thus saved themselves from the disgrace of a white-wash.

After the tournament, the team still had two games to play in the league in order to qualify for the championship since Blake had seventeen points to Shattuck's fourteen points. Because the weather was uncertain, it took the team a week and a half to play the two games. The first team to fall was Concordia, who lost eleven to four. Don Hitesman added another "hat trick" to his growing collection, and Ron Barbour picked up seven points. The game was such a complete rout that Coach Tricker was able to clear the bench in the third period.

Breck was the last team to go down to the Shads. Playing at Williams Arena for the all important two points they needed, the Shads went to work fast, scoring four goals in the first period and breaking their jinx. Breck never had a chance, and McLandress had to make only three stops to gain his second shutout of the year.

Thus the 1956-1957 squad ended the year with an excellent season. They did not go undefeated, but they did win the championship for the second year in a row. Next year, Coach Tricker and captain-elect Leach should have an equally good season.

BASKETBALL

This year's M.I.S.L. basketball conference saw some of the best ball that has been played in recent years. Each team was capable of beating everyone, and the league was close down to the final day.

The Shattuck bucket men won twelve and lost six as they ended their season with a second place in this year's M.I.S.L. Conference. They fell one game short of the Minnehaha Indians for first place and tied with Concordia and Blake for second. Entering the tournament as a possible favorite, the team beat Breck, but lost to Concordia and Blake to finish fourth in the tournament. Last year's team had taken first, but Tom Snyder was the only starter returning from last year's championship crew.

The team was coached by Mr. Kramer, who once again did a very able job with the material that he had. The squad had seven seniors on it, four of whom were starters; this fact means that the team will have a lot of building to do next year.

The co-captains on this year's squad were Tom Snyder and Louie King. Tom played forward, and his jump shot from the corner led to his being the third highest scorer in the conference behind Anderson of Breck and Schug of Concordia. Louie played guard and forward on the team. His best game came in the first game of the tourney when he dumped in five field goals to sport the Shads past the Breck Mustangs.

The Montana contribution to the first five was from the Child brothers. Harry, a 6'2" senior, played forward and was the only Shad player who made the All-Conference team. Harry had a tough break midway in the season when he sprained his ankle, but he came back fighting to be a top scorer and rebounder for the team. Jimmy Child, a 6'5" junior, played center. This was Jimmy's first year on the club, and his experience will help the team a lot next year.

Playing guards most of the time for the Red and White team were seniors Dick Peterson and Bob Howe. Dick was the playmaker of the team and set the big boys up, while Bob concentrated on a two-handed push shot from outside that was deadly when he was on.

Next year's co-captains also saw a lot of action for the team this past season. The two players, Terry Conner and Burr Robinson, can be counted upon heavily next year to spark the team. Terry is a guard, while Burr plays forward.

The rest of the team were Mac Troost, Brent Musburger, Tom Harper, Tom Peebles, Steve Bloon, and Tarry Rice. Tarry was the only freshman on the team, but his spirit coupled with his all-around ability will make him rough to tangle in the conference in future years.

Before Christmas vacation the team rolled by Rosemount, the Deaf School, and Concordia. Although the only conference game was against Concordia, the Meteors were the favorites in the conference, and by virtue of their win, the Shads made themselves the dark horse of the league.

After the vacation period the Shads rolled to their fourth straight victory by dumping Pillsbury 77-25. The Shads were riding high when they traveled to Breck, and after the clouds had lifted, Big Andy Anderson and his Mustangs had beaten us 59-43.

The Shads came back two days later when they dumped S.P.A., but suffered for their win when Harry Child sprained his ankle. Still in the thick of the race, the Shads returned to their home court, where they had not been beaten for the past years. Their first foe at home was Blake, and the Hilltoppers smashed them 55-45. The winners were sparked by hitting twenty-seven out of thirty-four free throws, while the Shads made twelve out of twenty-three.

Minnehaha then dumped the Shads almost into nowhere by a 53-33 win. Mr. Kramer worked the team hard and told the squad that they needed more fight. Not letting the coach down, they walked through five games in a row to move into second place and a long shot at the title.

Playing at Shattuck for their last conference game, the Minnehaha Indians knocked the stars out of the Shads' eyes by 54-42, and thus became the only team to beat Shattuck twice during the year.

With the season over, the tournament was an anti-climax, and the team let down. Behind Louie King's drive in the third quarter, the team moved by Breck, but lost to Concordia and Blake to finish fourth in the tournament.

Although the team did not equal last year's record, they are to be commended for their spirit during the season.

FIRST ROW: Bannister, H., Lemon, Peterson, L., Holmes, Milner, Colvin, T. **SECOND ROW:** Van Dyke, J., Sibert, Rotzel, Woods, Leach, G., Bannister, R., Boyd. **THIRD ROW:** Voss, Hoyt, King, D., Wise, Stern, Amundson, Bensen, Wentworth, Mr. O'Connor (Coach).

SWIMMING

The Shattuck swimming team of 1956-1957 lived up to past swimming teams by winning ten meets and losing three. The Mermen also took the M.I.S.L. Conference title, which they have taken for the last two years. With Tom Holmes as captain, the team was backed up by the following lettermen: Amundson, Bednar, Benson, Colvin, T., Holmes, Hoyt, Milner, Peterson, L., Seibert, Simmonite, Van Dyke, Voss, Wentworth, and Woods. Dave Wentworth, a junior, was elected to captain the 1957-1958 team.

As Mr. Kedrosky undertook new athletic activities this year, Mr. Harold O'Connor was drafted from St. Thomas, where he had coached for the past two years. Coach O'Connor is also a graduate of St. Thomas and lettered as a diver on the swimming team for three years.

Coach O'Connor states that Peterson, L., Van Dyke, J., and Benson will probably be the mainstays of next year's team. He also believes that Amundson, Seibert, and Woods will be strong supporters of next year's team. Owen Milner and Dale Voss were the mainstays this year, each taking a great many firsts, with Owen breaking a record.

Although defeated by a strong Winona team 47 to 30 on Nov. 30, the Shads fought hard as shown by the breaking of a Winona pool record. The 160-yard medley relay team, consisting of Amundson, swimming backstroke; Hoyt, conventional breast; Snyder, D., butterfly breast stroke; and Ryan Simmonite, the crawl, broke this record. Dale Voss proved valuable by taking the 200-yard free style event.

Swimming against another tough team, the Mermen were the victims of the mighty Rochester squad. Although there was some improvement, the team lost in the Rochester pool, Dec. 7, by a 43-34 score.

The aquamen swam on Dec. 14 for the third time, the last before vacation. They met Austin in the Shad pool to put them down with a 44-33 score.

After returning from Christmas vacation, the team gave the Pillies a heartbreaking 62-15 defeat. Coach O'Conner used his inexperienced swimmers for the meet.

On Jan. 16, the Shad Mermen again trampled their opponents. This time it was the Carleton Freshmen with a 52-25 victory in the Shad's stomping grounds. In the first event Milner won by a very close margin. Lee Peterson established his swimming ability by a first in the 100-yard free style event. Dale Voss and Roy Woods placed first and second, respectively, in the second race. Likewise, Hoyt and Bednar showed great form by taking first and second, respectively, in diving.

On Jan. 22, the Mermen latched on to another victory, their fourth straight, against their traditional rival, Blake. The team swamped the Blakies in the Shad pool with a 49-28 score.

In a return meet with Austin in the Austin pool on Jan. 25, the Shads revenged their last year's one-win and one-loss record against them by drubbing Austin the second time during the season with a somewhat closer score than the first meet, 41-36. With a 34-36 score in favor of Austin before the last race, the Shads were a little worried. Nevertheless, the relay team came through with a win to dump the host team.

At Winter Carnival on Feb. 1, the Shattuck swimmers, once again in their home pool, took an easy victory from Alexander Ramsey with a 51-26 score. Following this meet, the Mermen took a dip in their home pool again and came out with a school record while swimming against St. Thomas on Feb. 5. Seibert, swimming backstroke, Hoyt, swimming conventional breast, Voss, butterfly, and Milner, free style, broke the 160-yard medley relay record. Milner and Voss, along with Amundson, also took first in this meet against St. Thomas, who defeated the Shad swimmers twice last year.

With a still confident spirit, the Shad Mermen met their arch rival Blake in Blake's home pool on Feb. 8, and defeated them by a score of 43-34. Big "O" Milner and "Fog" Amundson retained their form, each grabbing a first. Big "O" did more than take a first—he broke the Blake pool record for the 100-yard free style event, swimming it in: 56 flat.

Having too much confidence was the downfall of the Shads in the meet against St. Thomas on Feb. 13. St. Thomas having suffered a defeat at the hands of the Shads earlier in the season, racked up the Shads with a 45-32 victory. On Feb. 15, the Pillies were once again crushed by the Shad team by a 56-21 score. The Shads next traveled to the De LaSalle Invitational Swimming Meet on Feb. 23.

When the final score was tallied, De LaSalle won with 46 points, against St. Thomas's 45, and Shattuck's 28.

After the regular season was over, the annual Garvin Cup award was presented to that Shad who showed himself most proficient in six swimming events. The Garvin Cup winner this year was Dale Voss III, a four year senior. Owen Milner received a medal for second place. Owen also received the Dolphin trophy, instituted by Jim Muir two years ago, which is to be awarded to that member who, by constant diligence and improvement in practice and exercise in good sportsmanship, has contributed most to the team through his efforts.

FIRST ROW: Mr. Mealey (coach), Musburger, Hitesman, Samans. **SECOND ROW:** Turner, Severance, Watanabe, Connor, Upsher, Komatz. **THIRD ROW:** Martin (manager), Mull, Adams, Peterson, L., Hart, Bacon, Mancini, Ferster.

BASEBALL

Under the direction of Mr. Mealy and Mr. Zulfer, the Shattuck baseball team had their best record in four years. Finishing third in the M.I.S.L. Conference, they posted five wins against four losses in the league. Their only non-conference tilt was a loss to the Carleton Freshmen, giving them five losses against as many wins for the year.

Hampered by the weather, the team did not practice as much as they should have but did an excellent job. Of the thirteen players on the varsity this year, ten will be returning next year. Graduating are Captain Don Hitesman, Brent Musburger, and Dirk Samans. Don and Brent have been on the varsity for four years.

After pitching three seasons, Don switched behind the plate this year, where he did a very able job. His arm was feared by most base runners in the league. Brent played first this year and turned in a good job. His hitting was greatly improved over last season, and his work at the first sack was good. The other senior leaving is "tough-luck" Dirk Samans. In the J-S game against S.P.A., Dirk Samans was hit by a bean ball and put out of action for the rest of the season. While on the squad, Dirk used his long legs to patrol the out-field.

Probably the strongest point on the team this year was the pitching staff. In recent years, the team has been in bad need of throwers, and this season "Hockey" found three sophomores to carry the load. Dave Upsher, a little left-hander, won three games and lost none. Chip Bacon, a right right-hander, picked up two wins. Although Lee Peterson did not receive a victory, he did an excellent job of pitching. The other portsider is a freshman Louie Mull, who will see considerable action in the future.

The double-play duo of Ken Watanabe and Tom Komatz will return next year, along with the third sacker, Scott Turner. Tom did a good job at the keystone and hit .340 to be one of the leaders in the department. His partner, Casey, was the best glove mon on the team, although his hitting needs to improve. Hat-corner man Scott Turner rounded out the very adept infield. His hitting and fielding were great assets to the team this year.

The outfield men caused the club great headaches this year. Between injuries and unforeseen difficulties, the club was never sure which three players would be there. Pete Adams, Karl Severance, and Brook Mancini ended up in the garden and will all be back next year. Karl led the team in hitting this year, while Adams was the power man. Although not too good in the field, they can be counted upon next year.

With only a week of practice under their belts, the diamond men opened their season against Minnehaha Academy and St. Paul Academy. Both teams gave the Shads losses to make it look like another dismal season. At S.P.A., Blake delivered two long triples to left field to supply the power for the academy attack. Tim Armstrong was the winner and gave up only three base hits to the Shads.

"A walk is as good as a hit" proved a good adage as the Shads beat Concordia 17-7. Although picking up only six hits, Meteor pitching gave up nineteen walks. Severance picked up two hits, while Musburger had three R.M.I's. Dave Upsher relieved Hitesman in the first inning to pick up the win.

The Shads went to Hopkins the next day to play the undefeated Blake Hilltoppers. Playing their best ball of the year, the team took a 3-1 lead going into the last inning. With two outs, the Blake team "lucked" out. Hansen drove in Wilkinson with the winning run after a disputed play at third had gone in favor of Blake. Lee Peterson did a wonderful job of pitching for the Shads. Scott Turner led the losing attack with two hits.

In their only non-conference tilt of the year, the Shads lost to the Carleton Frosh 8-4. Pitcher Van Ehen struck out sixteen.

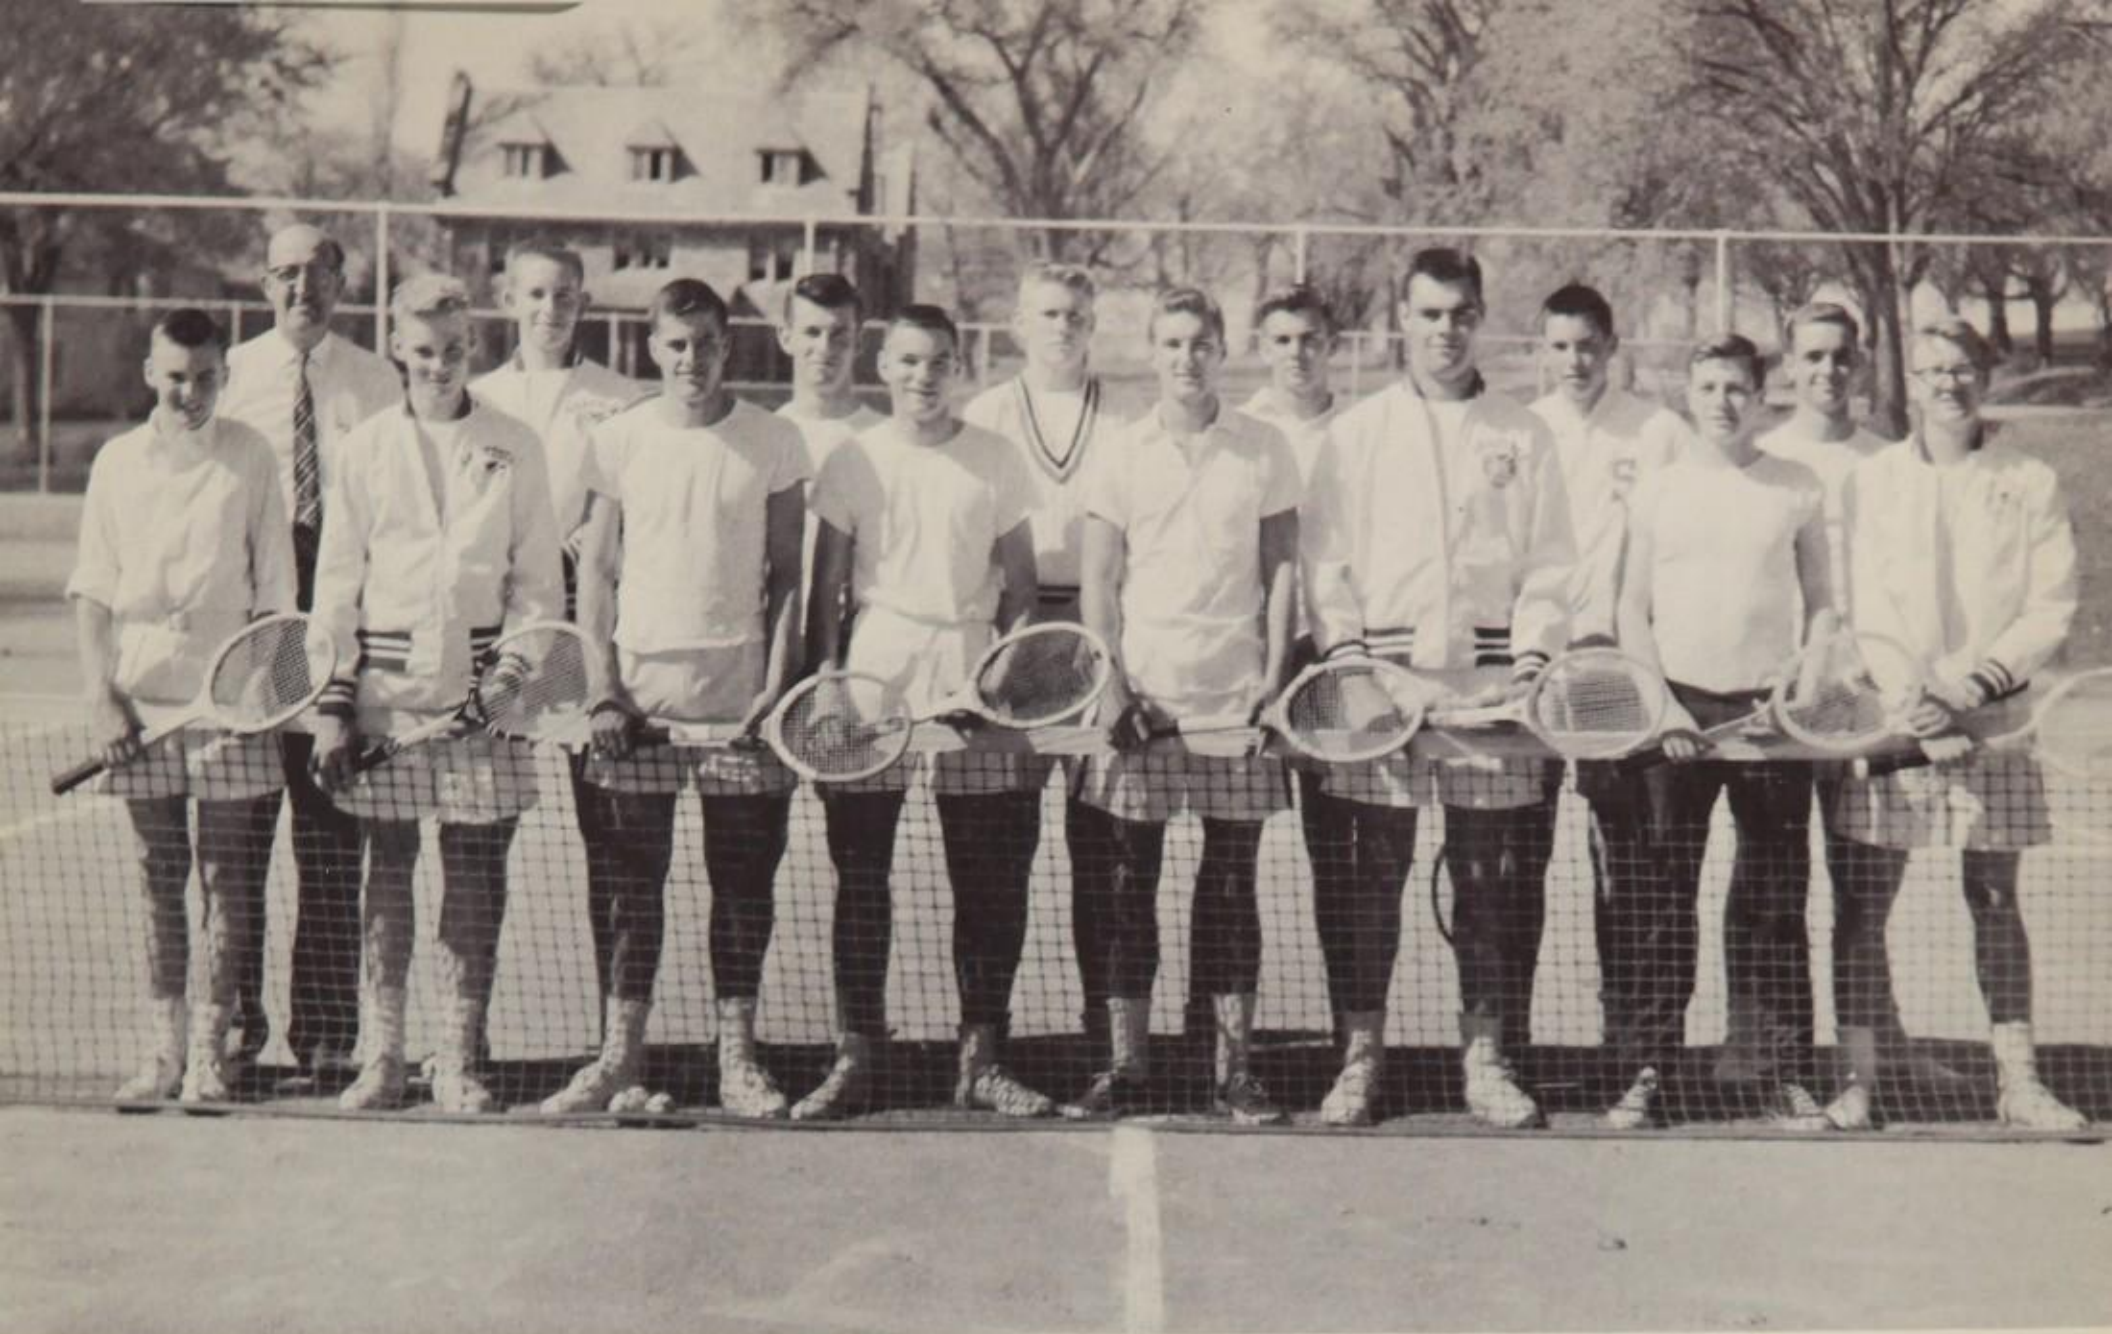

The Shads then moved back home to beat Minnehaha and Breck. Picking off seventeen hits, the Shattuck team beat the Indians 21-8. Upsher picked up his second win in relief, while Musburger pounded out two hits to drive in four runs. Komatz and Severance each had three bingos apiece.

The team then pasted Breck 14-11, with Bacon getting the win. The Mustangs rallied in the last inning, but Turner got Wilkinson to fly out and end the game.

S.P.A. ended the Shattuck squad with a 11-9 win on J-S week end. Tim Armstrong beat the Shads for the second time this year. Dirk Samans was struck by a "bean ball" in the second that broke some bones in his face. Shattuck came back in the last inning, but Armstrong put out the fire with two on.

The Shads ended up the season by beating Breck and Pillsbury to give them a 5-4 record and third in the M.I.S.L.

FIRST ROW: Lockhart, Bannister, R., Grant, Chrissinger, King, L., Barbour, Wise, Almquist. **SECOND ROW:** Mr. Kramer (coach), Huff, Troost, Renwick, Wilman, Heinicke, Reed, M.

TENNIS

The 1957 season found the Shad tennis squad one of the low teams in the league. The netters finished the season with a five-win, five-loss, one-tie record for one of the worst seasons in the last ten years.

Nine members of the team received letters for the work they did during the year. These were John Chrissinger (captain), Nye Heinicke (captain-elect), George Renwick, Bob Huff, Ron Barbour, Tod Almquist, Mac Troost, Fred Wise, and Rick Grant. The best any one player could do during the year was to win eight matches and lose four. Nye Heinicke turned in that record, and he was followed by John Chrissinger with seven wins and four losses.

Everything looked good when the season started as the Shads picked up three quick wins but then the roof fell in. First they lost to Blake on the Blake courts. The next day, St. Thomas gained revenge by taking the big team. From then on, the season had few happy days for the Shads. They were plagued with injuries and bad luck for the rest of the year. Louie King was put out for the season by an unfortunate incident, and John Chrissinger ended up in the hospital for two of the important meets.

During the year, the team managed to beat Faribault, S.P.A., Concordia, and Minnehaha. For the first time in several years, the Shads were unable to defeat Blake or St. Thomas in any meets between them.

Looking into the future, Captain-Elect Heinicke could have a fairly good season next year if he gets some support from the underformers. Bob Huff and Chip Hagey will be back and with a couple of good entering students to bolster the bench, the team could come out on top in 1958.

FIRST ROW: Barnes, Wolfe. SECOND ROW: McMillan, Corlett, Lee, Standard, Northey.

THE RIFLE TEAM

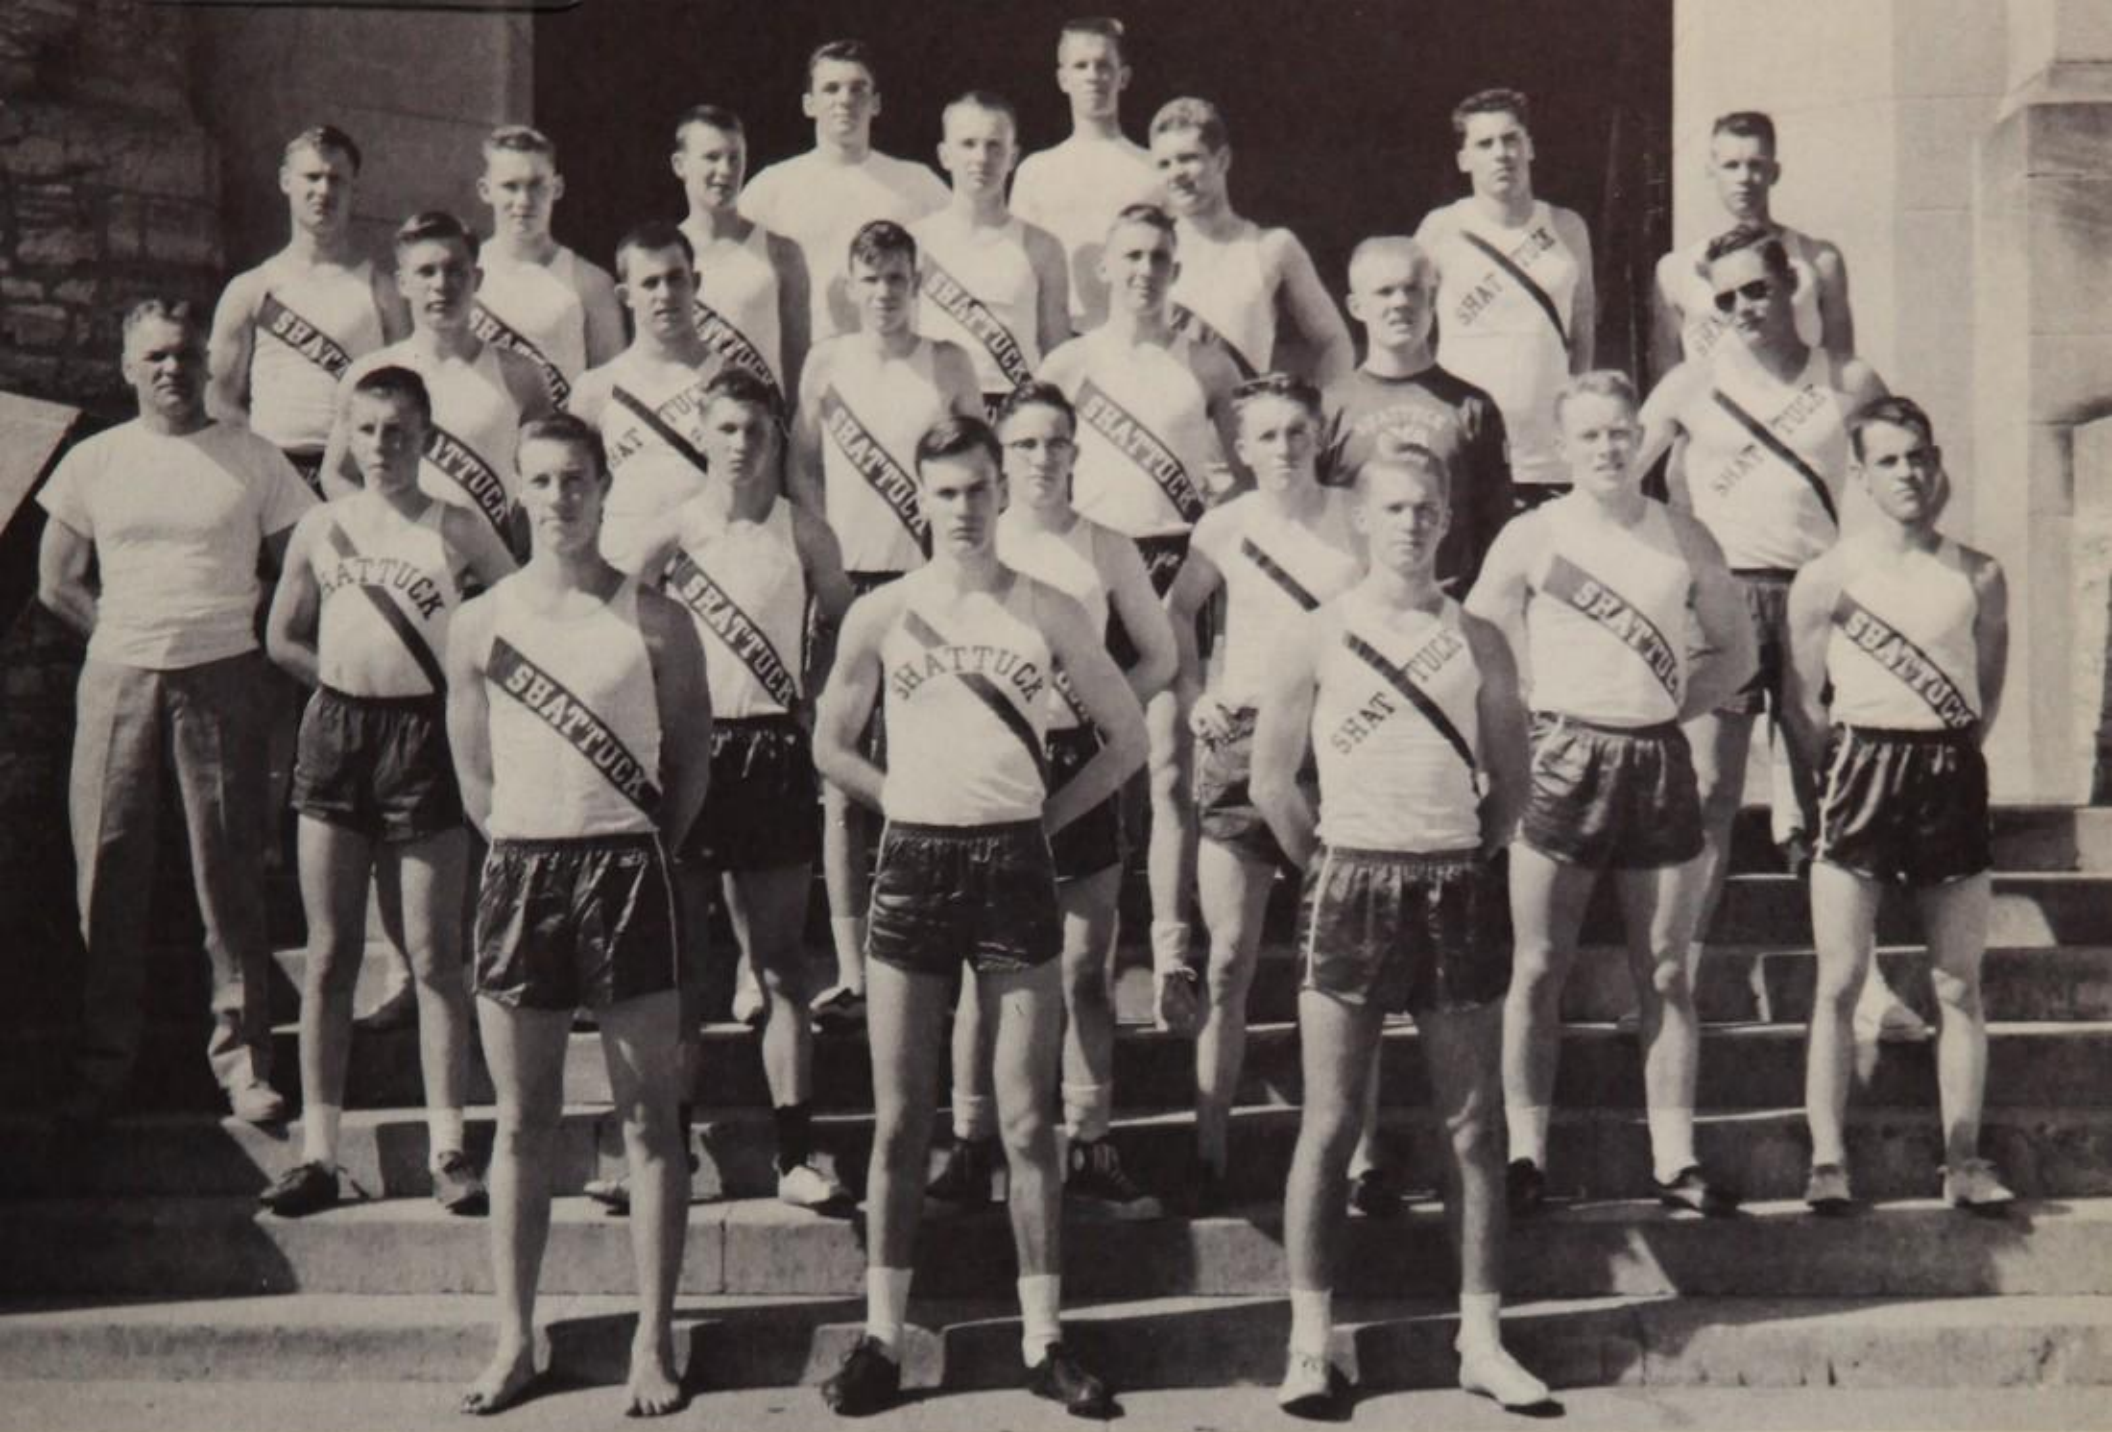

The Shattuck rifle team prospered well during the 1956-57 season under the expert guidance of their new coach, Sfc. Roy Dunlap. Letter winners of this year's team were Don Wolfe, John Barnes, John Northey, Lief Halverson, Bill Lee, and Pete Standard.

During the year, the Shad team shot postal matches with Culver Military Academy; Kemper Military Academy; Balboa Heights High School, Canal Zone; Wentworth Military Academy, Lexington, Mo.; West Waterloo High School, Waterloo, Ia.; Howe Academy; and Davenport, Ia., High School. They also shot shoulder-to-shoulder matches with other teams. Postal matches are those which each team shoots on its own range and then sends its score to the competing team by mail.

A few weeks before Commencement Bill Lee was presented the McVeedy Target Pistol. This pistol was given to Shattuck by John S. Lundy, M.D., of Rochester, Minn., who stated that this weapon be given to that member of the junior class who has shown himself most proficient in the handling of firearms. Bill will receive the use of this pistol during his senior year.

John Northey and Lief Halverson also received the Distinguished Rifleman award, which is the highest honor obtained in the National Rifle Association of the United States.

Don Wolfe, the captain of this year's team, and John Barnes, the co-captain, have both been very proficient on the team. John Northey has been elected to captain next year's team.

TRACK

During the 1957 track season, under the expert coaching of Mr. George Kedrosky, the Shattuck team was defeated in the M.I.S.L. Conference only by Blake. However, the team did not fare so well outside the league, losing to the Carleton Frosh, Farmington, and also Lourdes. The lack of spring practice was the major cause of these losses, as it was prevented by late snows and the interruption of spring vacation. The team rapidly shaped up and pushed on to become second in the league and also second in the M.I.S.L. Conference meet.

The backbone of this year's squad was Bob Buchanan, Hubbell Ingham, John Mack, and their captain, Charlie Day. Ingham, who is only a sophomore, has done very well in the field events, especially in the shot put. Bob Buchanan, a junior, has been very fortunate in the 100-yard dash, the relay, and 180 low hurdles, and received several ribbons in these events in the M.I.S.L. meet.

John Mack, who was defeated by no one in the 880-yard event, had been a strong member of the team and set a new record at the M.I.S.L. meet with a time of 2 minutes, 9 seconds.

Charlie Day, who was elected captain late in the season, always managed to give the team the essential boost before any meet. He was very successful in the hurdles and dashes, along with placing first in the M.I.S.L. meet.

Dave Martin, who was a ball of fire in the 440, helped the team to win many a meet by his speed and agility in whatever he went out for.

Owen Milner, who always managed to throw the discus further than anyone else, has been a valuable member of the team for two years.

The first track meet of the season was with Farmington, but they were a little too much for the team since they have placed third in the state. In this meet John Mack made his way to the tape before anyone else, and the Shads were the winner in the relay. These were the only firsts that the Shads were able to add to their list.

The Shads continued their season with Lourdes down at Rochester and were again defeated by a score of 59-36. John Mack took a first, and Bob Buchanan took a second in the hurdles. The meet was highlighted by Milner winning the discus. The broad jump was not held due to lack of time.

Winning their first meet of the season and finally breaking into the league standings, Concordia dropped the meet with a tally of 75-38. Those who placed first were Charlie Day, Hubbell Ingham, John Mack, Owen Milner, and Bob Speir.

For their next meet of the season at Shattuck the Red and White team were the victims of Carleton Frosh by a 61-52 score. The Shad thinclads gave the Frosh a run for their money and ended up not so far behind.

The Shad tracksters next handed the Minnehaha Indians a sizzling 95-18 defeat. "Hub" Ingham, Charlie Day, Bob Buchanan, John Wilcox, and John Mack all came through with firsts.

St. Paul Academy was next and fell to a tally of 65½-47½. After the dust cleared, the Shad's spikers continued their charge. The S.P.A. relay team was the only one undefeated.

A triangular with Blake and Breck was next, and it was the deciding factor in the M.I.S.L. standings. The Shads tipped over Breck, who got only 17½ points but tripped over Blake with a score of 50½ to 72.

For the M.I.S.L. the Shads joyously charged over everything in sight and placed second in the league. There were many gold medal winners, but Charlie Day and John Mack were the most notable.

GOLF

Winning their third M.I.S.L crown in as many years, the linksters of Shattuck compiled an outstanding 10-1-1 conference record, and an overall 13-1-1 record. Led by seniors Dick Peterson and Larry Dry, and juniors Dave Hamilton, Burr Robinson, and Tony Jackson, the Shads lost only one conference match, this being lost to Minnehaha, which the Shads revenged in another meet. Dr. Wilhelms did an excellent job in guiding the team to another golf championship.

The remaining varsity squad consisted of Tom Snyder, a senior; Roy Woods and Bob Charles, juniors; Don McClave, John Sudmeier, and Bob Olson, and sophomore Steve Bloom. With these fine prospects, Shattuck should have another strong team next year.

In the first match of the season, the Shads downed a fighting S.P.A. team by the score of 7-5. Dave Hamilton and Burr Robinson, winning two points apiece, did not alone win the match, but the 3 and 2 points won by Dick Peterson and Larry Dry, respectively, clinched the contest. Sweeping to their second straight victory, the golfers displayed their prowess by walloping Concordia, 11½-½.

In their closest match of the season, Dr. Wilhelm's team played to a 6-6 deadlock with Blake at Minnikahda golf course. Dave Hamilton and Burr Robinson each split with their opponents, while Dick won all three points.

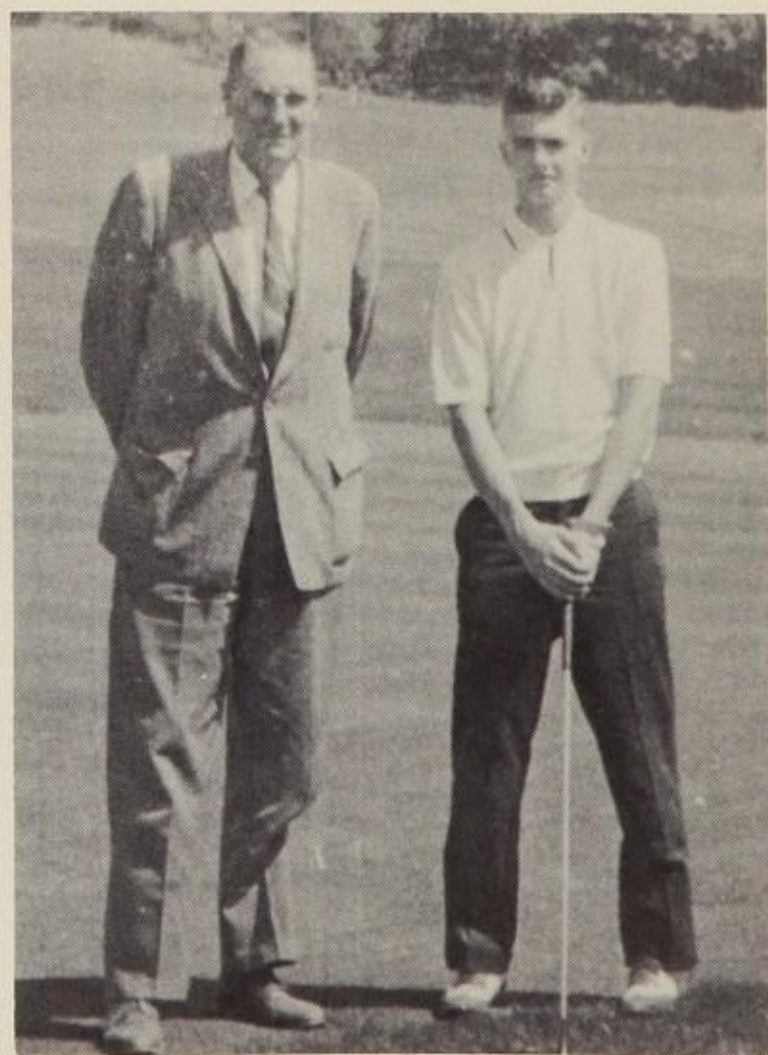

In two successive days, the Shads divided equally their two matches with Minnehaha, losing $6\frac{1}{2}$ - $5\frac{1}{2}$ away from home, but avenging their loss on their home course 9-3.

The golf team cinched the title by narrowly defeating a bitter S.P.A. team by a score of $6\frac{1}{2}$ - $5\frac{1}{2}$. Dave Hamilton picked up two points, and Dick Peterson three, while Larry Dry collected the necessary margin for the victory.

The greatest accomplishment of the season was the victory of $11\frac{1}{2}$ to $\frac{1}{2}$ over our arch rivals Blake. Dave Hamilton, Dick Peterson, and Larry Dry swept their matches, while Burr Robinson fashioned a steady 39 to win $2\frac{1}{2}$ points.

With little competition the Shads snatched the next four matches in a row, annihilating the Carleton freshmen 9-3, Concordia 11-1, and Faribault High School twice.

All in all, it was a very successful year for the golf team, and there should be a continuation of success in future years.

BADGER-GOPHER ATHLETICS

After sweeping the competition by a very sizable margin last year, the Gophers were swamped this year by the Badgers' superiority. This year the Badgers and Gophers were captained by Owen Milner and Brent Musberger, respectively.

Owen, in his four years at Shattuck, has been very active in the field of sports. His main sports were swimming, in which he swam a leg of the record-breaking medley relay, and track, where he threw the discus.

Besides athletic achievement, "O" Milner has been a consistent man on the Honor Roll, and last December it was announced that he had been added to the Crack Squad.

Brent, too, has been very active in sports here, playing varsity baseball and varsity basketball his senior year, besides being a member of the Junior-Varsity basketball team his junior year and football manager his freshman year. "Mus" was one of the three seniors on the baseball team this year.

There have been many masters who have contributed a great amount of time to coaching these boys in their respective sports. The masters are Mr. Bailey, Mr. Hoofnagle, Mr. Demos, Mr. Mealey, Mr. Worlock, Mr. Rhaesa, Mr. Goff, and Dr. Wilhelms.

Last fall both teams were short on men at the start, but boys soon responded, and when the first game was played there was plenty of spirit on both teams. The first football game was a scoreless duel, but the Gophers took the second one on a one-yard plunge by Karl Severance, making the score 13-7 in favor of the Gophers with five seconds left in the game.

The Gophers, coached by Mr. Hoofnagle and Mr. Demos, had a good backfield man in Karl Severance and a good line-man in Don McClave, while the Badgers of Mr. Bailey had Rudy Andersen going around the ends for sizable gains and Lee Zeigler a tough line-man.

The winter sports for Badger-Gopher competition were basketball, swimming, and hockey.

Scott Tricker coached both the Badgers and the Gophers in hockey, and there was no champion in this sport due to the one-sidedness of the Badgers.

The Badgers barely defeated the Gophers in swimming. Dr. Wilhelms was their coach.

Mr. Mealy, along with Mr. Warlock, had charge of the B-G basketball, which the Badgers also won.

Mr. Goff, along with Mr. Warlock, had charge of B-G baseball, but instead of using the B-G system, due again to the lopsidedness of one club, the teams chose up sides.

Tennis, coached by Mr. Rheasa, was won by the Badgers.

ORGANIZATIONS

FIRST ROW: Wirtz, P., Wileman, Troost, Musburger, Chrissinger, Peterson, R., Hoyt, Dry, Wohlford. **SECOND ROW:** Leach, L., Malvey, Schroeder, Futrell, Wiper, Brobyn, Robinson, B., Buchanan, Arp, Martin, J., MacKay, D.

THE SPECTATOR

One of the things that we are all very proud of at Shattuck is the weekly **Spectator**. This year, under the very able leadership of John Chrissinger as editor-in-chief, the "Spec" has very well fulfilled its purpose of keeping everybody informed of the happenings around school.

The other editors are Dick Peterson, alumni editor; Brent Musburger, sports editor; Mac Troost, general news editor; and Ben Wileman, senior reporter. The other reporters from the junior class are Ken Malvey, Tom Brobyn, John Martin, and Clarence Futrell.

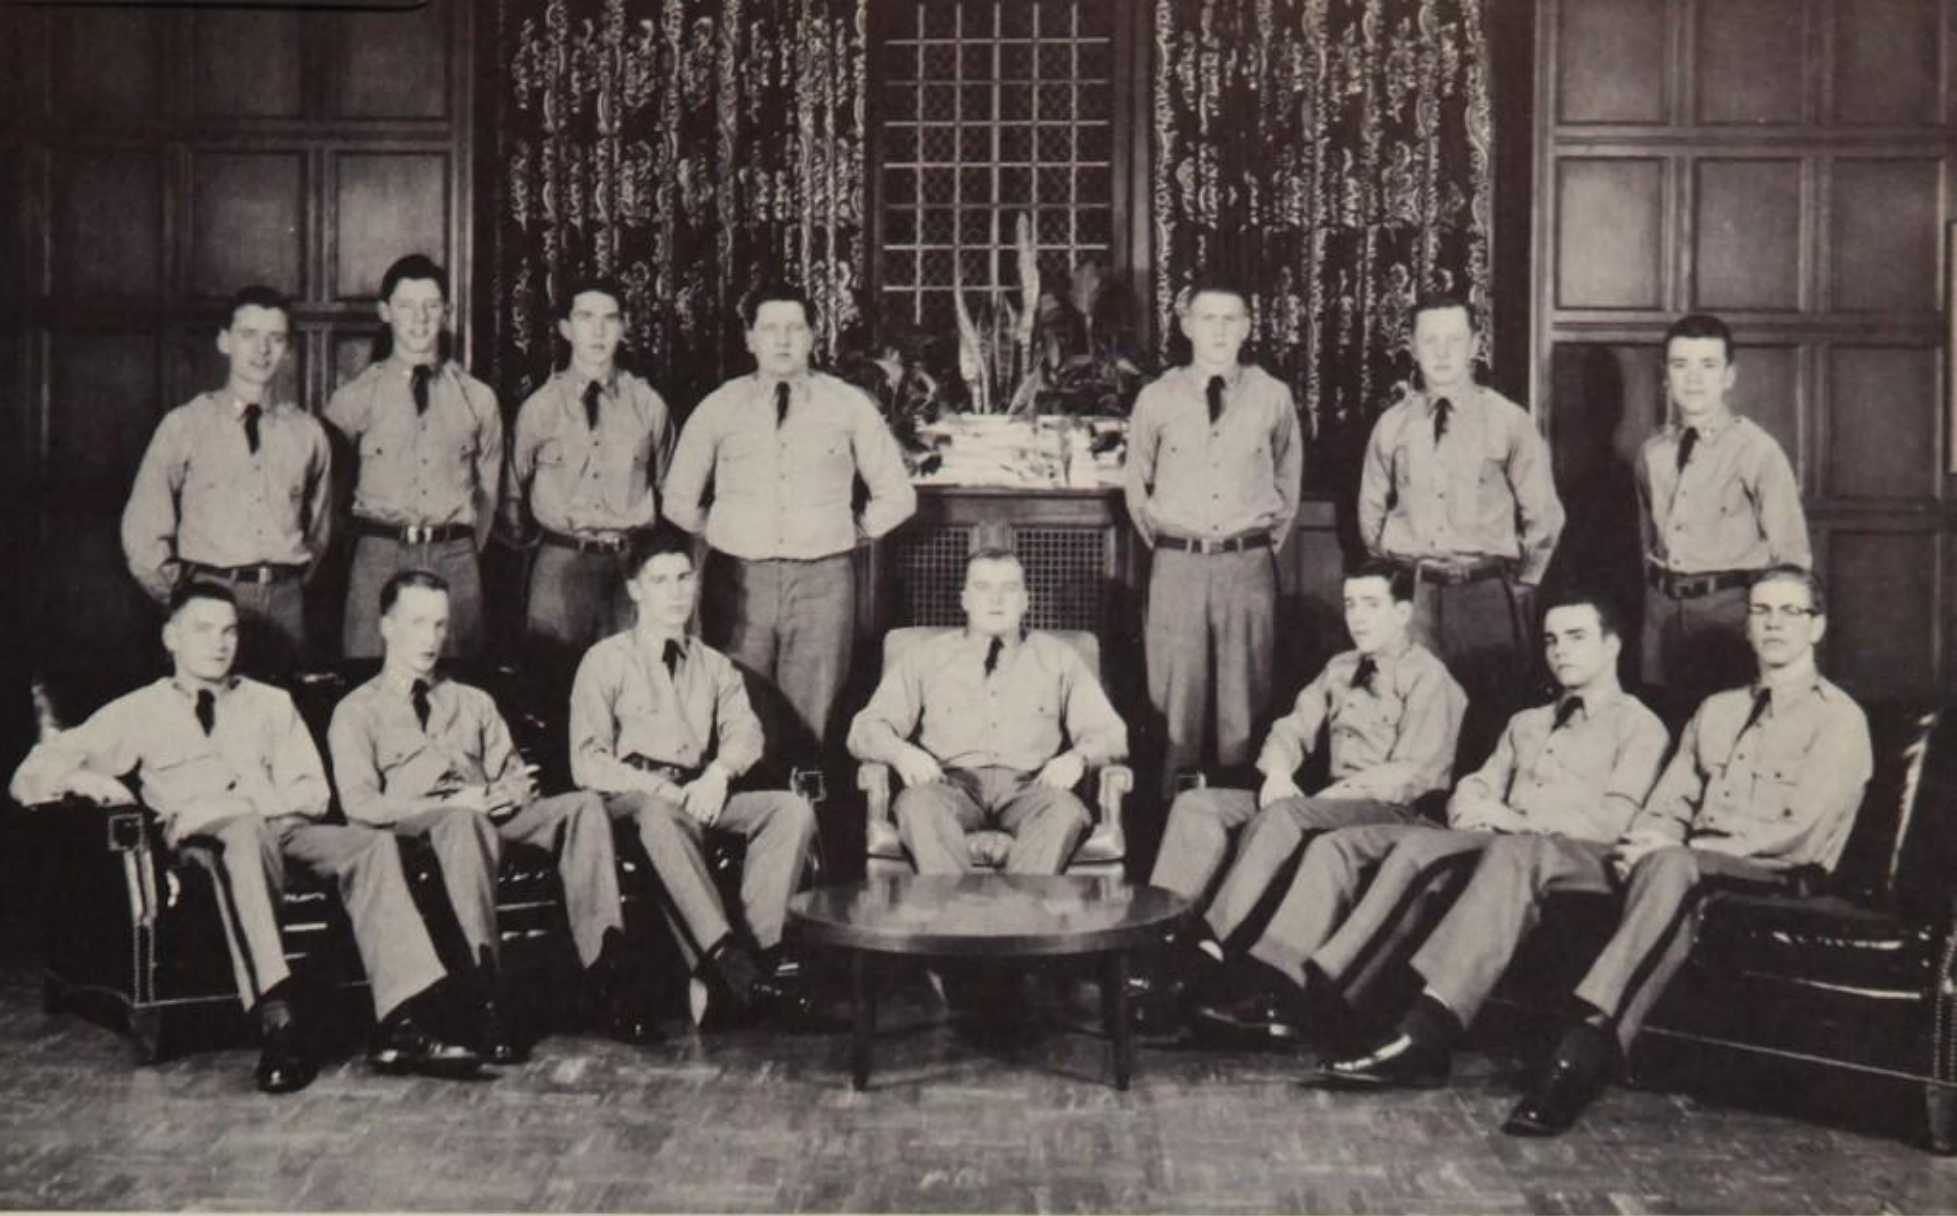

Another phase of the **Spectator** that cannot be overlooked is the business staff. Dick Hoyt was the business manager this year, and under him were Dennis Wohlford, Larry Dry, and Jon Schneidler; the business associates were Arp, Buchanan, MacKay, Schroeder, Leach, Robinson, B., and Wirtz, Paul.

Again this year the **Spectator** was entered in the Columbia Scholastic Press Association contest, sponsored by the Columbia University School of Journalism. It was awarded a second place, repeating its performance of last year.

Another event concerning the **Spectator** was the banquet given in honor of the 80th anniversary of student publications at Shattuck. Invited were members of all the organizations associated with writing at Shattuck, as well as many representatives from other schools in surrounding towns and the Twin Cities.

This year, as before, Mr. Below was the adviser for the editorial staff of the **Spectator**, Mr. Agerter was the adviser for the business staff, and Dr. Pletcher was in charge of the "New Yap's Diary," the most popular column in the paper.

FIRST ROW: Chrissinger, Colvin, T., Snyder, T., Hitesman, Musburger, Simmonite, Peterson, R. **SECOND ROW:** Malvey, Robinson, B., Wilson, Wiper, Renwick, Berry, Terhune.

THE STUDENT COUNCIL

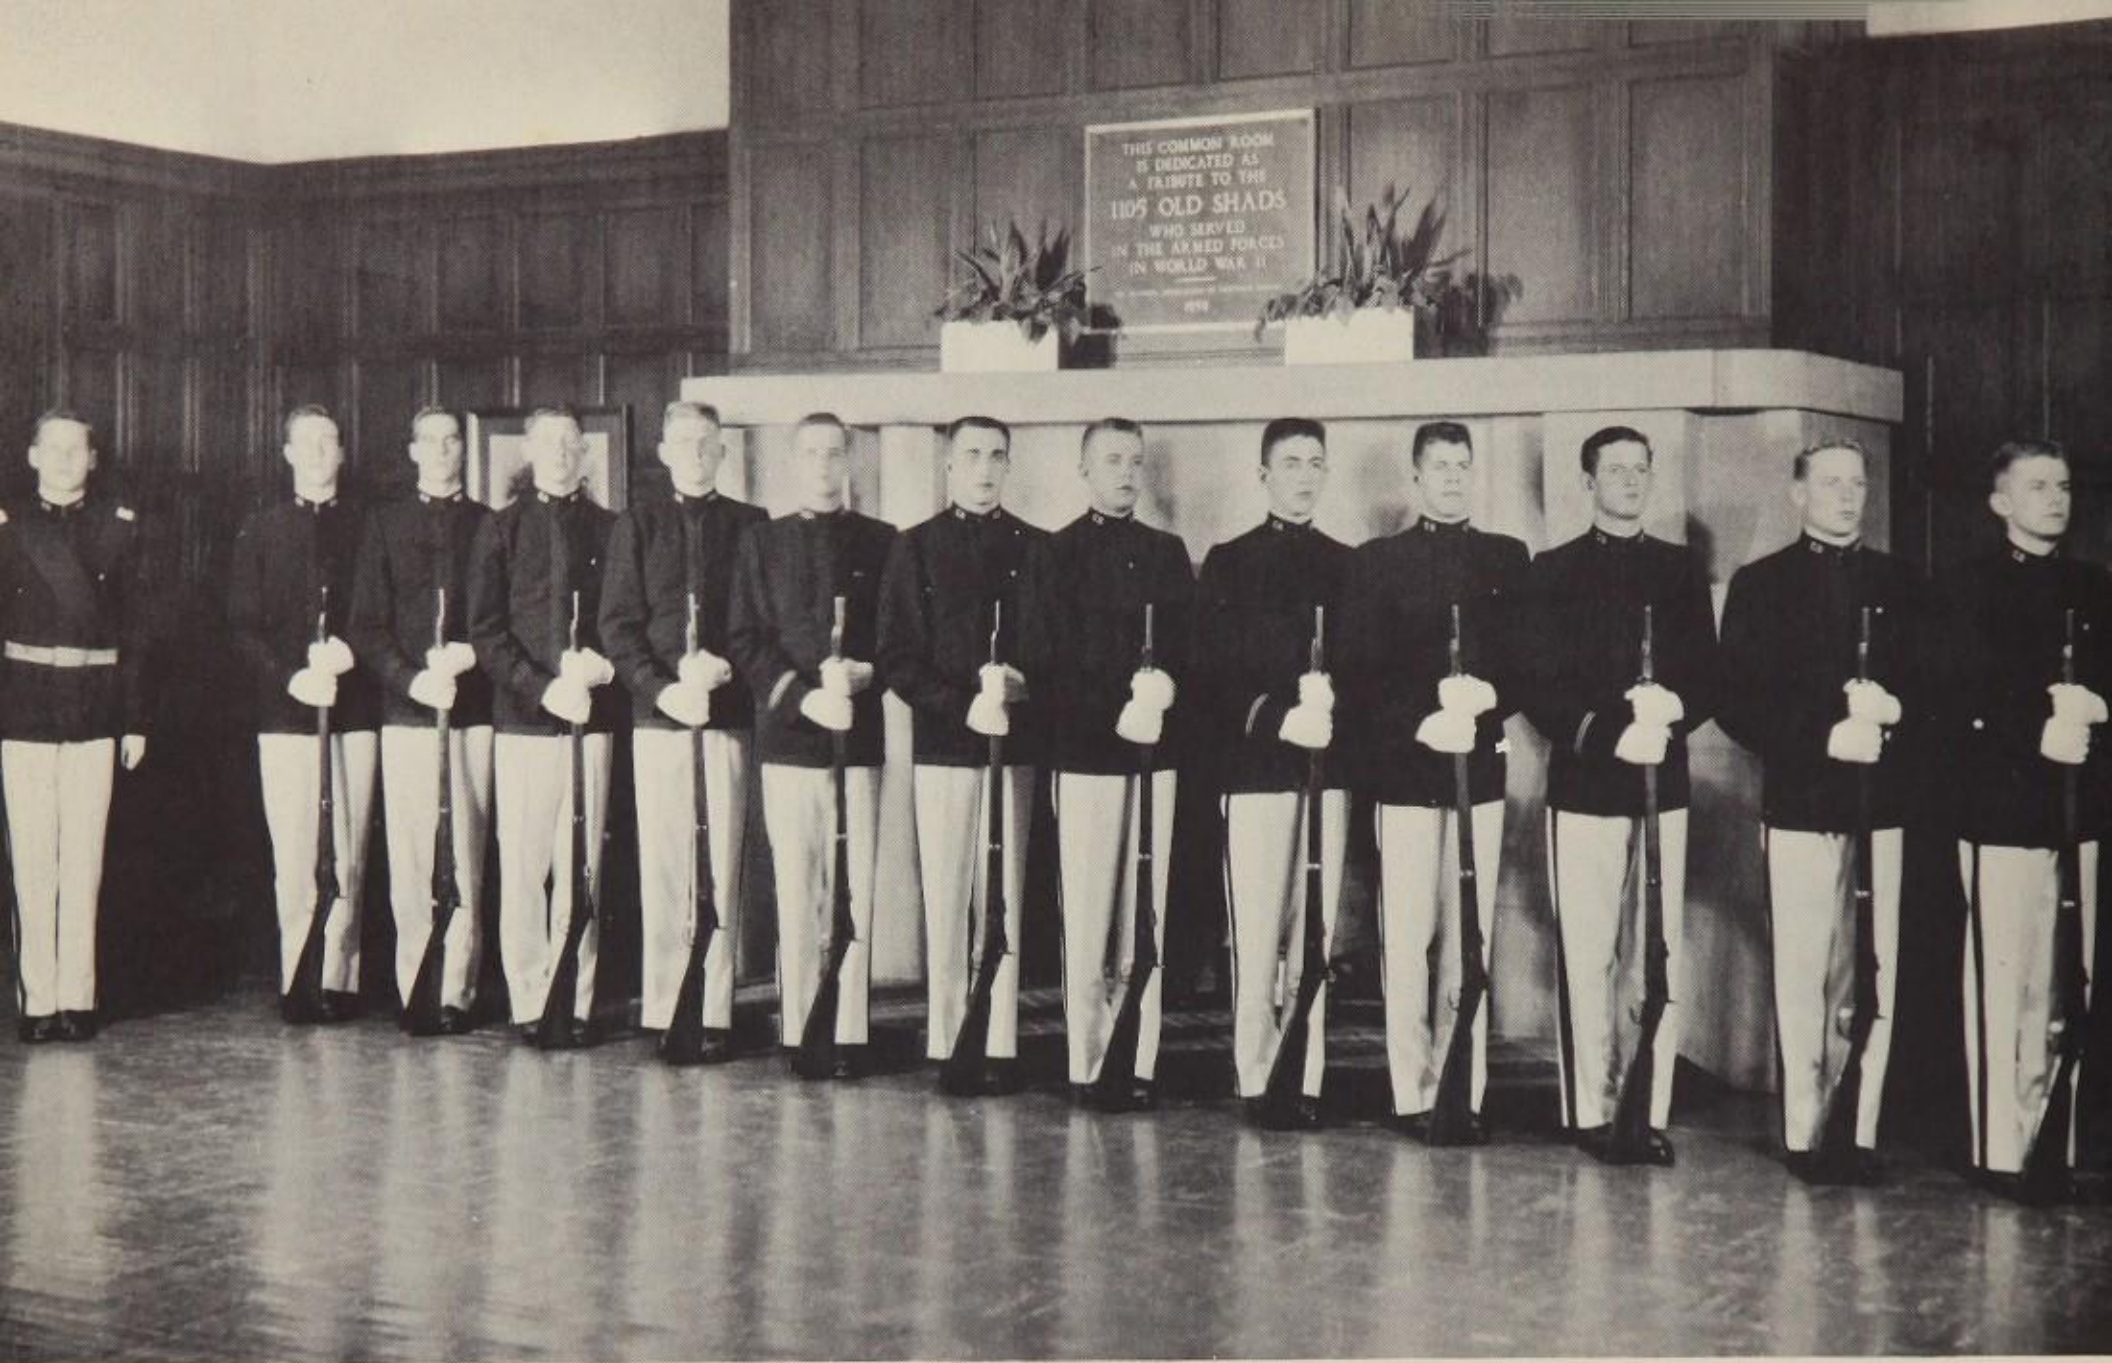

This year the Student Council has done the most efficient job that it has done in a long time. It has really put forth an effort to improve the morale around school and making beneficial contributions to Shattuck life.

At the beginning of the year, the Student Council elects its officers for the remaining year. This year the positions were held by Don Hitesman, president; Brent Musburger, vice-president; and Tom Snyder, secretary. The company commanders are made members of the Council, and this year they were John Chrissinger, Tim Colvin, Richard Peterson, and Ryan Simmonite. The other members were Ray Wiper, Steve Wilson, Ken Malvey, and Burr Robinson, all of whom are the officers of the junior class. The sophomore class members who were on the Council were Berry, Peterson, L., Renwick, and Terhune.

The Student Council has had its meetings in the Rectory every Thursday evening during the second half of evening study hall.

This year's Council has initiated the new "new boy" system which in the following years will prove to be very beneficial to the school. The main points in this system are that entering students will not be required to call seniors "sir"; they will have equal rights with all the rest of the school in such things as walking on all walks, being allowed to put their arms on the table, and not having to carry shine rags and paper with them all the time; however, at military formations, including tactics, everybody will address his superior as "sir" in rank. Nobody will have the use of the senior steps or the senior class room except seniors. It is this new system which has been the biggest accomplishment of the Student Council in a long time.

LEFT TO RIGHT: Captain Holmes, Milner, Drake, J., Robinson, B., Renwick, Smith, R., Drake, C., Smith, L., Brobyn, Neifert, Conner, Vye, Chesley.

THE CRACK SQUAD

The Crack Squad, as well as being one of the oldest organizations at Shattuck, is one which is held in a high place in the school life. It is held in high esteem by those boys who make the Squad as well as those who do not make it.

Each year for the first ten weeks of school, extensive tryouts are held to determine the membership of the Squad. The entire tryout period is under the direction of the returning "Squaddies," who pass down to the new members what they have learned from their tryout period.

After the new members are chosen, they have many arduous hours of training and practice before they put on their first drill at the Winter Carnival Dance.

This year, in spite of the difficulty the Squad has had in losing a few members, it has been very successful under the leadership of Captain Tom Holmes, perfecting a variation of the drill for a smaller Squad.

The members of this year's Squad are Captain Tom Holmes, Charlie Drake, Bill Chesley, Owen Milner, Dick Vye, seniors; Terry Conner, John Drake, Tom Brobyn, Dick Neifert, Burr Robinson, Larry Smith, Roy Smith, juniors; George Renwick, sophomore.

Gundry, Musburger, Snyder, D., Malvey.

THE DRAMATIC ASSOCIATION

The Dramatic Association, which many Shads want to be members of, takes quite a bit of work. This year the president was Dave Snyder, and the other members were Brent Musburger, vice-president, Tim Colvin, Ben Wileman, Les Gundry, and Ken Malvey. They have had complete charge of all the plays that were put on at Shattuck this last year, and they have done a very competent job.

This year was the seventy-fifth anniversary of the first play put on at Shattuck and to commemorate the occasion, the D.A. put on the **White Horse of the Peppers**, which was the very same play put on seventy-five years before.

The other plays put on this year were **Angel in the Pawnshop**, at Thanksgiving, and **The Desperate Hours** at the Junior-Senior Prom. For the first time a new idea was tried this year, having St. Mary's girls act the female roles in the plays at Shattuck. At Thanksgiving, Sue Thompson acted in the play, and at the J-S, three girls acted in the play: Mary Coffin, Linda Foster, and Ruth Krueger. The new idea has worked out very well and will probably be used quite frequently in the future. Besides this, St. Mary's has been using Shad actors in their plays.

Mr. Quentin Jensen, who has been the director of the D.A., has done an excellent job in the years that he has been in charge of it. Unfortunately he is leaving at the end of this year, and so the Dramatic Association will lose a good director.

At the Junior-Senior Prom the president of the Dramatic Association for the coming year was announced by Dave Snyder. For next year, the president will be Ken

Quill and Scroll

A lot of people do not seem to know just what the Quill and Scroll is; to some it appears to be nothing but an elite group. Well, this organization is elite; it is one of the highest honors that a student can receive while at Shattuck. It is an international society for journalists of secondary schools. Its purpose is to reward achievement in the field of journalism. The only requirements needed to be attained to enter Quill and Scroll is that the person be a member of the **Shad** or **Spectator** staff, must have excellent writing ability, must be faithful in the duties assigned to him, must be in the upper third of his class scholastically, and eventually be approved by the Executive Secretary of the International Quill and Scroll Society.

The members of this year's Quill and Scroll were Brent Musburger, John Chrissinger, and Dick Peterson. The new members added towards the end of the year were Ben Wileman, Mac Troost, Clarence Futrell, Jon Schneidler, and Don MacKay.

The "Shad" Staff

KNEELING: Ben Wileman, Tom Snyder, John Dupret, Tim Colvin. **STANDING:** Brian Green, Tod Almquist, John Chrissinger, Dick Peterson, Dennis Wolford, Mac Troost.

Cum Laude

Cum Laude is an organization that everyone who comes to Shattuck should make his objective; it is truly one of the greatest honors that can come to a senior. To be admitted to the Chapter of the Quill and Scroll at Shattuck, a senior must have been here at least two years and must have his academic average in the top fifth of his class, as well as being more than just average in his citizenship over the period of his junior and senior years. The seniors who were elected to Cum Laude this year were Tod Almquist, John Chrissinger, Tim Colvin, John Dupret, Brian Green, Dick Peterson, Tom Snyder, Mac Troost, Ben Wileman, and Dennis Wolford. These seniors deserve to be congratulated very much on achieving this honor.

FRONT ROW: Mr. Jensen, Malvey, Snyder, D., Musburger, Barbour. **SECOND ROW:** Cochrane, Colvin, T., Wileman, Schneider, Aslesen. **THIRD ROW:** Boyd, Newburg, Lee, Gundry, Clemens, Futrell, Terhune.

The Thespians

The Thespians was a new organization at Shattuck, organized last spring. It is a part of a national society of Thespians, which is devoted to the advancement of dramatics in secondary schools. It is a non-secret, non-social organization. Mr. Quentin Jensen, director of Shattuck drama, is the troupe sponsor.

The members of the Thespians this year were Dave Snyder, president; Ken Malvey, vice-president; Ron Barbour, secretary; Brent Musburger, treasurer; Tyler Clements, Ben Wileman, Pete Backus, Tom Becker, John Cochrane, Les Gundry, O.D. Hauschild, John Newburg, and John Terhune.

The Honorary members of the Thespians were Mr. Floyd Fairweather, Mrs. Quentin Jensen, The Rev. John McCormick, Mr. Donald Purrington, Mrs. Jordan Seitz, and Miss Sue Thompson.

FIRST ROW: Milner, Snyder, D., King, D. **SECOND ROW:** Mr. Kummer, Standard, Mancini, Breck, Wirtz, Paul, Claybaugh, Johnson, Mr. Henry. **THIRD ROW:** Wright, J.B., Benson, Morseman, Terry, Wileman, McDonough.

The Flying Club

Being a relatively new organization at Shattuck, the Flying Club is not as well known as others, but in the last two years it has earned a lot of esteem from the members of the student body. To enter the Flying Club, one must have four requirements, which are, first, an interest in flying; second, a seventy average with a good application; third, his parents' approval; fourth, election into the Club by a $\frac{3}{4}$ majority.

Meetings are held every Tuesday night; and on the free afternoons of Wednesday and Saturday, different members get permission to go to the Owatonna airport, where they get either ground or flight instruction. The main ob-

jective of the organization is for each member to receive his private pilot's license. So far, only Dave Snyder has obtained this, but in the near future more will get theirs.

This year Dave Snyder is the president of the Flying Club; Dave King, vice-president; Owen Milner, secretary-treasurer. The other members of the club are Benson, Breck, Claybaugh, Johnson, Mancini, McDonough, Morseman, Standard, Terry, Wileman, Wirtz Paul, and Wright, J.B.

The faculty adviser for the organization is Mr. Kummer, who has had quite a bit of flying experience himself in the Air Force and in the Army. The flight instructor is Mr. Bob Henry of Owatonna.

CENTER: Colvin, T. **FRONT ROW:** Wolford, Dupret, Shemphf, Harper, B., Eller. **SECOND ROW:** Mack, Glass, Day, Puckett, Backus, Boyd. **THIRD ROW:** Walling, Lee, Colvin, S., Malvey, Kramer, S. **FOURTH ROW:** Schneider.

The Glee Club

A new organization this year was the Glee Club. Tim Colvin, as head, has done a lot to inspire a sense of music loving in quite a few members of the student body. The Glee Club meets every Tuesday evening in the band room, where they hold their practices. They spend about an hour there where they sing songs and enjoy themselves very much. Their first big performance will be a combined

concert with the band on Friday, May 31, at the beginning of the Commencement exercises. The members of the Glee Club are; Tim Colvin, Dennis Wolford, John Dupret, Jay Shemphf, Bruce Harper, Johnny Mack, Scotty Day, Pat Glass, Pete Backus, Jon Schneider, Eller, Boyd, Walling, Lee, Colvin, S., Malvey, and Kramer, S.

The Movie Crew

FRONT ROW: Becker, Wirtz, Paul, Terry, Reed, R. SECOND ROW: Aslesen, Poeler, Breck.

The Model Airplane Club

FRONT ROW: Ross, Thompson, J., McClave, Reed, R., Schneider. SECOND ROW: Fallows, Drum, Wheelock, Thomas.

The Radio Club

FRONT ROW: Aslesen, Pickering, Renwick, MacKay, Don, MacKay, Dave. SECOND ROW: Thomas, Lee, Eller, Fallows, Drum.

"Focus, sound," seem to be very familiar sounds in the auditorium every Saturday night. The Movie Crew is one of the most valuable organizations in the school life. This year's president was Paul Wirtz, and the other members were Becker, Breck, Aslesen, Poeler, Reed, R., and Terry. They have presented a feature movie every Saturday night and sometimes on Sundays. Besides this, they have presented shorts for Dr. Pletcher's talks every Sunday evening, shorts for the military department in conjunction with the R.O.T.C. training, as well as shorts and long movies for certain courses.

When you hear a buzzing of motors in the work shop, you can be sure that the model airplane boys are hard at work. This year under the direction of Jon Schneider, the club has come more into light than in previous years. On most free afternoons, you can see a model airplane or two whizzing through the air, guided by one of the members. The members of the club this year were Schneider, McClave, Ross, Thompson, J., Reed, R., Thomas, Fallows, Drum, and Wheelock. The club attempted to break the National Record for Endurance by keeping a plane in the air for over thirty-four hours, but they did not succeed. However, they may do it yet.

Another club that one does not hear much about is the Radio Club. Its purpose is to teach the boys how to operate ham radios, as well as practical knowledge of the repair and maintainance of radios and phonographs. The Radio Club meets every Tuesday night in the basement of the Rectory, where their shop is located. The members of this year's club were Owen Milner, president; George Renwick, vice-president; Dave MacKay, secretary; Aslesen, Pickering. Don MacKay, Drum, Fallows, Eller, Lee, and Thomas.

SOCIETY

HOMEcoming

This year's Homecoming, held on October 5-7, was one in which great spirit was shown throughout the whole student body. It was a great success in all its activities.

The first event that took place was a meeting between the masters and the students' parents on the afternoon of Friday. Then that evening, the student bodies from Shattuck and St. Mary's, along with the Shads' parents, attended the plays in the auditorium. The plays consisted of "Sit down to Supper," a one-act farce, and "When the Clock Strikes," a burlesque. They were given under the direction of Mr. Jensen and Dave Snyder. When the plays were over, a bonfire rally was held on the parade field.

The next morning there was a Corporate Communion for the football team, and the rest of the morning, nothing much took place except for meetings of Shattuck faculty, alumni, and parents.

That afternoon, the most important event took place: the football game against Pillsbury. The Shad team scored a tremendous victory, beating Pillsbury with the score of 50 to 0.

Then Saturday night came the event that everybody was anticipating: the Homecoming Dance. The decorations were done under the direction of John Chrissinger and Harry Child. All the windows were covered with the red "S" blankets and red and white streamers were hung from the ceiling along the walls. Buddy Koopman's band played for the dance, and they did a good job. There were refreshments served at the intermission, and the dance ended at midnight, putting the finishing touches on a wonderful week-end.

THANKSGIVING

The annual Thanksgiving festivities were held from November 21-23. The two days were highlighted by the play and the dance.

The first event was the play given on Wednesday night in the auditorium by the Dramatic Association under the direction of Mr. Jensen and Dave Snyder. The play was "Angel in the Pawnshop," and for the first time in Shattuck's history, a girl from St. Mary's was given the female lead, instead of having it played by a Shad. The part was done by Sue Thompson, and she did a very good job.

When the play was over, there was a reception in the Johnson Common Room for the cast and guests. Then all students were required to be in bed by eleven.

The following morning there was a chapel service on campus for the celebration of Thanksgiving to which all students were required to go. Then followed dinner in the Morgan Refectory, where the student body was served steaming turkeys with all the trimmings. When the meal was over, there was not a Shad who did not have a full stomach.

Thursday evening the Thanksgiving Dance took place in the Armory, where the band was again Buddy Koopman's. People who wished to attend the movie, "The MacConnel Story," could do so. The dance lasted until midnight, and "lights" were half an hour later.

Friday morning there was a sleep-over until noon, when everybody went to lunch, and thus ended a very enjoyable holiday.

THE SENIOR RETURN

Though usually regarded somewhat casually, the Senior Returns at Shattuck and St. Mary's are quite important in the minds of the seniors.

This year, the Senior Return at Shattuck was held on December 2, in the Johnson Common Room. Ryan Simmonite and Brent Musburger were in charge of inviting the chaperones, and Tim Colvin was in charge of getting the music. The Common Room was decorated with green and white crepe paper hanging from the ceiling, and with large white cards on the mantel with "57" in large green letters. The dance lasted from 7:30 until 11:00 and "lights out" for both schools was 11:30.

The dance was very much enjoyed by those who attended it, and it was considered a big success. The chaperones for the dance were Mr. and Mrs. Below, Mr. and Mrs. Zulfer, Mr. and Mrs. Kramer, Mr. and Mrs. Tricker, and Mr. Goldsmith, from Shattuck; from St. Mary's, they were Miss Robbins, Mrs. Sheldon and Miss Drybread.

WINTER CARNIVAL

Winter Carnival is a time that all Shads look forward to after Christmas vacation. There are many reasons for this, the main one being that it signifies the end of mid-year examinations; it means a break between the two semesters when a person can relax a while; others look forward to it for personal reasons, such as having his girl come up for the dance. Whatever the reason, all Shads look forward to Winter Carnival.

The 1957 Winter Carnival began immediately after the last exam on Thursday, January 31. The afternoon was free, and the Shads were able to go downtown, and that evening lights were early, so that everybody could get a good night's sleep in preparation for the coming events.

Friday morning the ball started rolling with the preliminaries of the inter-company athletics in hockey, swimming, wrestling, and basketball. The afternoon of the same day, the finals were played. Then that evening in the armory, the Wooden Soldiers of St. Mary's put on their drill, and followed by the Variety Show, under the direction of Tim Colvin and Dave Snyder. This was the first time that such a thing was done, and it proved to be very successful. Following that, the king and queen for the Carnival were announced by Monty Lamont, last year's king. The king was Kenny Bateman, and the queen was Claire Sundland. These two reigned over the whole week-end.

Saturday morning there was an inter-company tug-of-war, which was a lot of fun to all that participated as well as those who just watched. Then in the afternoon, there were varsity athletic events in hockey and basketball against St. Paul Academy; in swimming against St. Paul Ramsey; and in wrestling against Faribault High "A" Squad. The Shad teams were very good, and we defeated the opponents in everything, a fact which greatly added to the spirit of the week-end. During the intermission of the basketball game, the St. James Grenadiers put on their drill for the benefit of the spectators.

That evening, there was a buffet dinner in the refectory followed by some demonstrations in the armory of weight lifting, model airplanes, and trampoline skills. Then at 8:30 the Winter Carnival Dance started. It ended at midnight. During the intermission, the Crack Squad put on its first appearance of the year and was quite good for the first time. Immediately after the drill, the Carnival Trophy was presented to the captain of "A" Company for winning the majority of points in the inter-company competition.

The wonderful week-end officially came to a close on Sunday morning, with the Chapel service. The whole school then quieted down and started to get ready for the last semester of school in 1957.

JUNIOR-SENIOR PROM

This year the Junior-Senior Prom took place over a period of two days instead of the usual one. The week-end was started off on Friday, May 10, with beautiful weather. Friday night, the J-S Play was given in the auditorium. It was "The Desperate Hours," starring Tim Colvin, Brent Musburger, Dave Snyder, and Mary Coffin. During the half time of the play, Dave Snyder announced the President of the Dramatic Association for next fall as Ken Malvey.

On Saturday morning, the R.O.T.C. Battalion formed on the parade field for the best drilled squad competition, and after that was over, a dress parade was given for the benefit of all visitors on campus. During the afternoon, the Shads played St. Paul Academy in baseball, tennis, track, and golf, and were able to win in all events.

Dinner was held at 6:15, followed by the Junior-Senior Prom in the armory at eight. The dance was decorated to the theme of "Teahouse of the August Moon," under the co-chairmen, Robert Fayfield and Jim Schroeder. The walls were covered with alternate strips of red and green paper with Chinese dragons attached to them. Hanging from the ceiling were red and black strips of crepe paper, and Japanese lanterns hung from all over. The doors were covered with simulated bamboo strips, and that added to the Oriental aspect of the armory. The dance band was Bob Leighton's from Minneapolis, and they did a very good job playing during the dance.

The prom programs were in the shape of Japanese Lanterns, with a decorative Japanese setting on the front. Inside the booklets were lists of the members of the Crack Squad, and the class officers of the junior and senior classes, along with the names of the boys on the J-S committee.

During the intermission at ten, the Crack Squad put on its drill under Captain Tom Holmes, presenting the criss-cross movement for the first time this year. It has been said that the drill was the best given so far in the current year. At the conclusion of the drill, Captain Holmes announced the winner of the best driller's star, the most coveted award on the Squad. It is given to the driller or drillers, who in the estimation of the captain, are the best drillers. Bill Chesley, '57, received the star.

The intermission lasted until 10:30, during which time punch and cookies were served, and then the dance continued until midnight.

At ten on Sunday morning, there was a service of Morning Prayer in the Chapel for the student body and any guests. Then the Shads were free until study hall time that evening, at which time the J-S week-end was officially over.

COMMENCEMENT 1957

The 99th annual Commencement activities were held over on May 31, June 1 and 2. The Shattuck campus was graced with beautiful weather for the activities, and everything went off like clockwork. The Commencement week-end officially began after the last examinations on Friday morning. The rooms were all cleaned up that afternoon, and the parents and guests started coming on campus around 3:00 p.m.

The first activities of the week-end was on Friday night in the armory, where a band concert was given under the direction of Mr. Abbott and Tim Colvin. Besides the band, the Shattuck Glee Club put on their first appearance of the year, and they sang a few songs along with the band. Following that, there was a reception in the Johnson Common Room for the members of the band and Glee Club as well as their parents and dates.

Saturday morning, there were parents conferences with members of the faculty and meetings of the Fathers' and the Mothers' Clubs to discuss plans for the coming year. Lunch was at 1:00 p.m. and after that there was the company competition. After the companies had drilled, they formed a square around the center of the field, and awards were presented for excellence in drill. The first announced was the award for the best drilled new boy, won by Mancini of "B" Company. Next was best drilled old boy, won by McClave of "A" Company. The best drilled squad was next, with Komatz's squad from co. A as first and Brobyn's squad from co. B second. Then the best drilled platoon was announced, with Vye's platoon from co. D taking first place, and Dupret's platoon from co. C taking second place. Then awards were given for excellence in drill and leadership to the company commanders. The Chicago Tribune Medals were given to Dick Peterson of the senior class and Steve Wilson of the junior class.

After the military awards were given out, athletic awards were given. The Badger-Gopher trophy was given to the captain of the Badgers, Owen Milner. Ron Barbour was awarded the Williams College Cup, for the best all-around athlete.

Saturday night, the Commencement dance was held in the Johnson Armory from 8:30 until midnight. At intermission time, the Crack Squad put on its last drill of the year, and Tom Brobyn was presented with the Squad saber at the end of the drill, as he is to be captain of the Squad next fall. Then the winner of the best drilled company was announced, and to everyone's surprise, Company D took first place. John Chrissinger was very proud of his company as he was awarded the medal. Then Flag Company was announced for 1957-58, and again, "D" Company won. The company formed on the floor and proudly carried Chriss around the floor. Following that, the dance continued, and everybody enjoyed himself very much. Lights were at 12:30 for all.

The next morning, at 8:00, a Corporate Communion was held in the Shattuck Chapel for the senior class and their parents and guests. Then the Shads had an hour to clean up their rooms and get ready to march downtown to the Cathedral for the Baccalaureate Service. The sermon was given by the Rev. Paul D. Weaver, S.T.B. When that was over, the Shads returned to school on their own accord, and lunch was at 1:10.

At two, the final chapel service was held in the Shattuck Chapel, Bishop Kellogg presiding. The classes then marched to the armory preceded by the faculty for the presentation of diplomas and awards. Dick Peterson and Marshal Blume were awarded places on the Permanent Honor Board, for having the highest two averages in the school for the year. There were five gold "S"'s given to boys who have maintained an average of 90 or above in each subject for the year, and there were 20 silver "S"'s given to students who have held an average of 80 or better in each subject for the year.

The Mathematics Medal was won by Dick Peterson, as well as the English Prize, the History Prize, and the Science Prize. The Latin Prize was won by Blume, M., and the Modern Language Prize was won by McLandress.

The Princeton Cup was won by Miley, the Wagner Award for Dramatics was won by Dave Snyder, the Harvard Cup was awarded to Don Hitesman, The American Legion Medal was won by Burr Robinson, and The Sportsmanship Trophy was won by Tom Snyder. The Citizenship Awards given to members of the Third, Fourth, and Fifth Forms were won by Lewis Mull, George Renwick, and Burr Robinson, respectively. The Princeton Plaque was awarded to Brent Musburger, and the Plugger's Prize went to Don Hitesman. Brent Musburger also received the Quill and Scroll Prize. Then the most coveted award of all, the **Spectator Cup**, awarded to "The most worthy boy," went to Don Hitesman.

Following these awards, the diplomas were given to the seniors by Dr. Pletcher. After this the Bishop gave the final benediction and everyone proceeded to watch the final dress parade.

Commencement was officially ended at 4:00 p.m. when the seniors broke ranks, and started shaking everybody's hand. And to a close came the 99th Commencement activities, and with that, departed the Class of 1957.

CHURCH

SITTING: Dupret, Milner, Hitesman, Robinson, B., Troost, Musberger, Chrissinger, Snyder, T., Seibert. **STANDING:** Malvey, Brobyn, Buchanan.

THE STUDENT VESTRY

This year the Student Vestry was under the able leadership of Mac Troost, who was elected senior warden last fall. The other officers for the past year were Burr Robinson, junior warden; Brent Musburger, clerk; and Tom Brobyn, treasurer. In addition to these four, the following are members of the Vestry: John Chrissinger, John Dupret, Don Hitesman, Tom Snyder, Owen Milner, Tyler Clements, Bob Buchanan, Roy Smith, Ken Malvey, and David Seibert.

The Student Vestry is one of the most unnoticed organizations in school. It operates through and under the direction of Mr. McKee with the purpose of advising both Mr. Goldsmith and Mr. McKee on the activities of the church community at Shattuck. One of the big projects this year was the conducting of Wednesday night vesper services with student personnel. Heading the chapel conduct committee was Roy Smith, whose job was to plan each week's service.

An annual project of the Student Vestry is a drive conducted by the members to collect donations from the students for the Campus Chest Fund. This year under the direction of chairman, John Dupret, the Vestry collected over \$330, which was turned over to Mr. McKee to be used at his discretion as to what charitable organizations will be benefited by the Fund. The following will receive donations: Saint Peter's Boy's Home, Detroit, Michigan; Saint Francis Boy's Home, Salina, Kansas; Hare School, Mission, South Dakota; Saint Phillips' School, Liberia, Africa; and Randall House, Chicago, Illinois.

In addition to these above named institutions, donations will also be sent to the American Junior Red Cross, Faribault Chapter, the Christmas Seal Fund for tuberculosis, the Children's Home Society of Minnesota, and to CARE for the purpose of buying overseas gift packages for Hungary.

FIRST ROW: Troost, Renwick. **SECOND ROW:** Butts, Lockhart, Fast, Cashman, Kramer, S., Bannister, H. **THIRD ROW:** Wirtz, Paul, Parrish, Wheelock, Eller, Young, Hall, Backus, Hunner, Thompson, J. THE ACOLYTES

The acolytes, although they are seldom recognized outside the church, fill a very important position in the Chapel of the Good Shepherd. Under the guidance of Mr. McKee and Mr. Hoofnagle, these boys assist Mr. Goldsmith, Mr. McKee, Mr. Rhaesa, and Mr. Hoofnagle at the daily vesper services, the weekly class Communion, and the Sunday services. During the services themselves, the acolytes act as either torchbearers, crucifers, or servers.

This year the acolytes are led by Mac Troost, John Chrissinger, Tyler Clements, and Burr Robinson in their respective positions of senior acolyte, senior sacristan, junior acolyte, and junior sacristan. Mr. McKee, with the help of the two departing holders of the senior positions, choose two successors each year from the sophomore acolytes. Peter Standard and George Renwick have been selected to fill the positions of junior acolyte and junior sacristan for next year. Although the largest responsibility of these four lies in the task of having acolytes at every service, they also perform duties which aid the school services a great deal.

As a reward for doing an outstanding job as an acolyte, some boys are taken into the Order of Saint Vincent. This is a National society of acolytes and is quite careful about the choosing of its members. The boys received into the Order for the most part have shown their leadership not only in the church, but also in other phases of school life.

The acolytes from the Sixth Form this year are Almquist, Altenburg, Carpenter, D., Child, H., Chrissinger, Day, Drake, C., Dry, Green, Hoyt, Miley, Milner, Reed, Samans, Schneidler, Snyder, D., Snyder, T., Troost, Wirtz, Wohlford, and Wolfe. From the Fifth Form are Adams, Becker, Brobyn, Buttz, Chandler, Clements, Cox, Gallagher, Harper, Heinicke, Huckins, Jackson, Kramer, S., McDonough, Nelson, Pennington, Read, R., Robinson, B., Smith, R., Swift, Terry, Walling, Wentworth, Wilcox, Wilson, Wise, and Woods. From the Fourth Form are Archibald, Austin, Backus, Barrager, Blume, Boyd, Cochrane, Fast, Hagey, Harden, Hauschild, Hunner, Ingham, Lockhart, McClave, Renwick, Sage, Smith, K., Standard, Strand, Terhune, Thomson, and Wheelock. From the Third Form are Baker, Boice, Breck, Carpenter, E., Cashman, R.L., Corlett, Cushman, R.H., Drum, Eller, Hall, Huff, Johnson, Krahmer, F., Leonard, McKee, Miller, Rice, Richardson, Thompson, J.L., and Young.

FIRST ROW: Poehler, Seibert, Puckett. **SECOND ROW:** Cashman, R.L., Eller, Jones, Lockhart, Bannister, H. **THIRD ROW:** Thompson, P., Larson, Rotzel, Boyd, Becker.

THE CHOIR

Starting practically from scratch, the choir under the direction of Mr. Yerburch has done an outstanding job, furnishing a variety of anthems and hymns for the church services. Leadership of the choir has been the duty of David Seibert, president; Phil Poehler, sophomore officer; and Jerry Puckett, freshman officer.

This year the choir has sung at the Sunday evening services, leading the congregation in hymns and singing their own anthems. Their special services were Homecoming, Thanksgiving, Christmas Candlelight, Winter Carnival, and Easter. At the Thanksgiving service they sang "Sing to the Lord of Harvest," by Healey Willan. "Twas in the Noontime of Winter Time," the first carol composed on the North American continent translated from the original "Huron" of Jean de Brebeuf, was the anthem sung at the Christmas Candlelight Service. They also sang "Today Is Born Emmanuel," by Praetorius. Christopher Tye's "O Come Ye Servants of the Lord" was sung at Winter Carnival. At the Easter service the choir sang selections from Handel's "Hallelujah Chorus."

Though there were only twenty-eight Shads in the choir, they have done well and have shown interest and ability. Usually practicing twice a week in 45-minute sessions, the choir did a great deal of hard work in preparing for the Sunday services. The by-product of this work has certainly been shown in the tremendous improvement they have made this year.

Although the choir is losing a very valuable director in Mr. Yerburch, who leaves to take over a headmaster's post in Haiti, a new master experienced in music will take over next fall.

Members of the choir are as follows: Archibald, Aslesen, Baker, Bannister, H., Bearbower, Becker, Boyd, Breck, Cashman, R.L., Cushman, R.H., Daley, Eller, Fallows, Harper, B., Hood, Hyslop, Jones, Larsen, Lockhart, Olson, Poehler, Puckett, Richardson, F., Rotzel, Schubert, Seibert, Swindson, R., and Thompson, P.

SITTING: King, L., Child, H., Simmonite, Hitesman, Musberger, Spier, Milner, Schneider, Chrissinger.
STANDING: Blume, M., Boyd, Smith, K., Pennington, Carpenter, D., Hamilton, Leach.

THE BROTHERHOOD OF ST. ANDREW

The Brotherhood of Saint Andrew, a national organization dedicated to increasing interest in the Church and Christian activities among young people, has played a very important role in the Church this year. Headed by Brent Musberger, the director, and Ryan Simmonite, the vice-director, the Brotherhood has contributed much to life at Shattuck.

An auction held on April 23 was the big money-raising project of the group this year. Selling a variety of articles, from clothes and books to huge angel food cakes baked by Miss Carrie, which were the choice items, the Brotherhood raised seventy-five dollars. The money from the auction and other activities was used in many worthwhile projects. One of these was a tombstone for the late Dr. Hill, a former English master at Shattuck. Another important contribution was kneeling pads for the chapel.

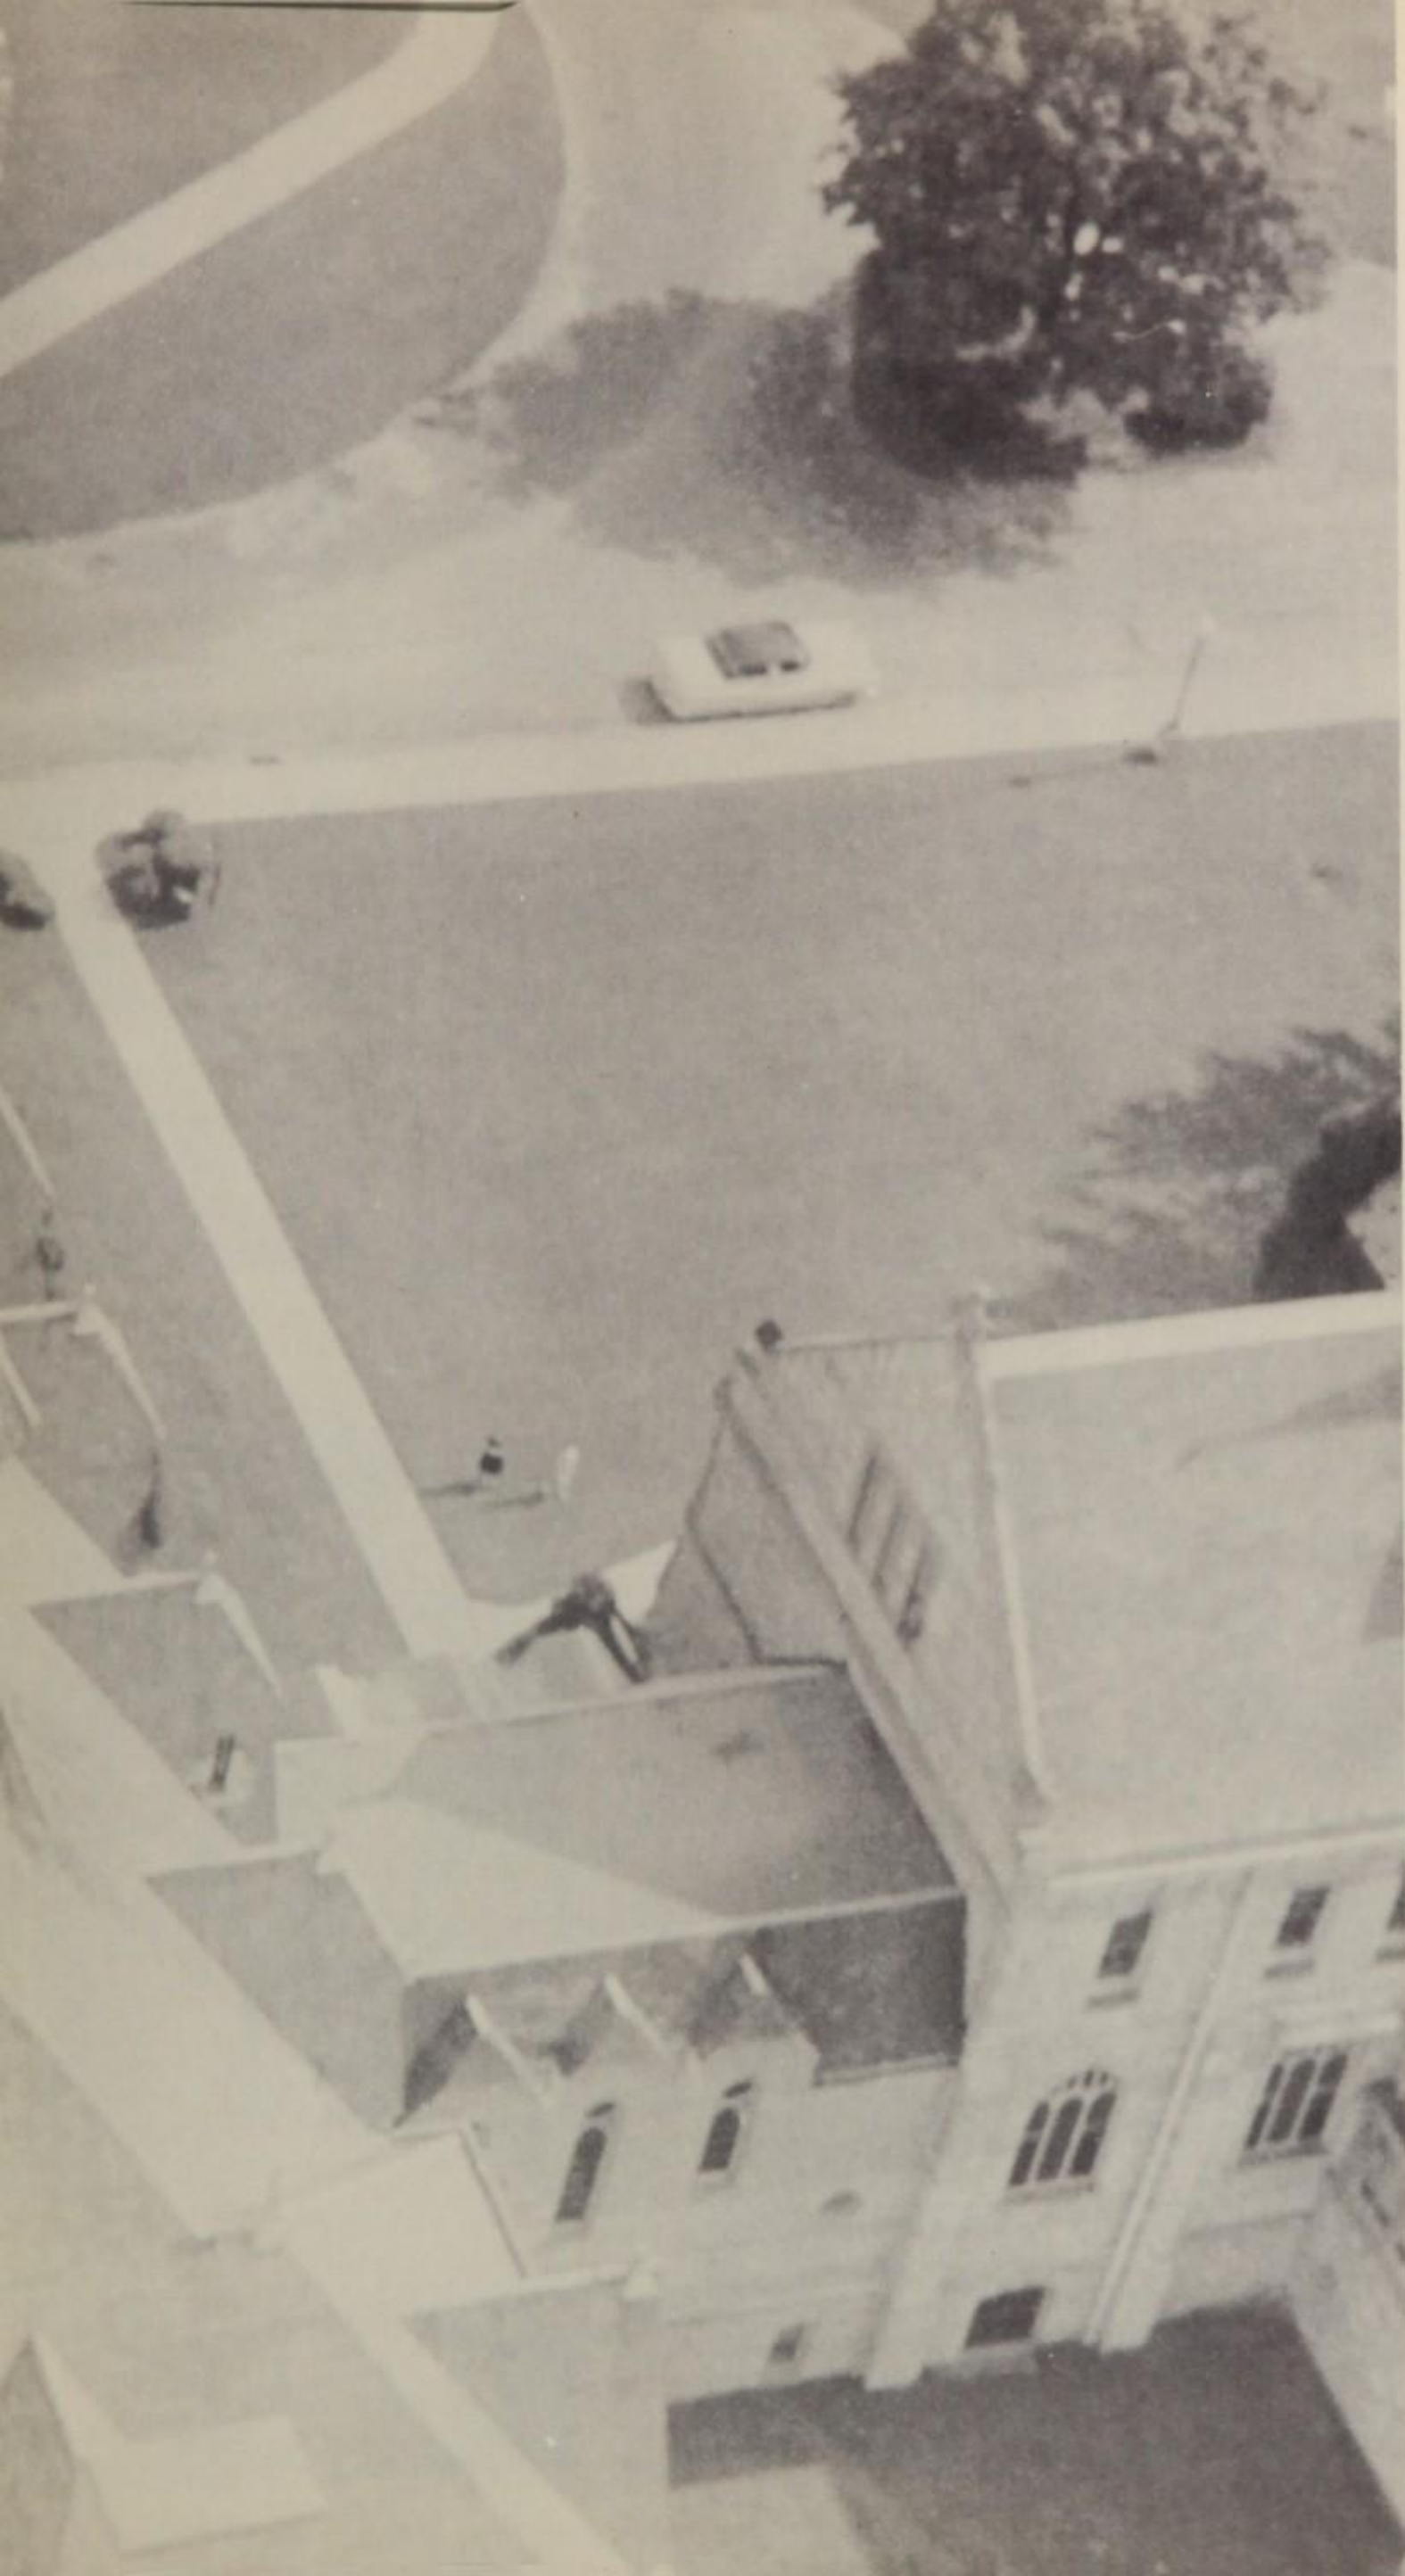

This year the Brotherhood of Saint Andrew was in charge of getting blood donations for the Blood Bank. A committee headed by Jon Schneider, did an outstanding job, getting donations from several seniors besides giving themselves. They were also in charge of keeping the chapel clean and polishing the brass.

In an election this spring the officers for next year were chosen. They are Dave Hamilton, director, Larry Leach, vice-director, and Tyler Clements, secretary-treasurer. The faculty adviser is Mr. Robert Yerburch.

Members of the Brotherhood of Saint Andrew are Blume, M., Boyd, Clements, Child, H., Chrissinger, Hamilton, Hitesman, Leach, Musberger, Pennington, Schneider, Simmonite, and Smith, K.

6:20—Dinner begins.

6:25—Voss hit with pat of butter from Tricker's table.

6:30—McNutt makes mistake of saying "Check" in Hash, has to put quarter in Black Monkey.

SHOO! I'll diagnose you.

What? Gar got a 95?

Where's my zit-cream?

Just try to get me up.

And mommy bear said to the little bear...

Neuroses? Me?

Chesterfield, They satisfy.

Hi gang

Man, I dig this shining shoes.

Now some people may say the Irish lost the war.

Homework? Just a bit.

Yes, this is a squad rifle.

G.I. or somethin'.

Well, what do you think I'm doin'.

Well, captains do it.

9:46—Colvin's command: "Get 'em!"

9:46½—New boys dash to the defense of dorm, repelling seniors in no time.

9:50—Lee King leaves, shaking fist and yelling, "You haven't seen the last of us!"

1:35—He follows the person into the tunnel, where he apprehends him.

1:36—Person turns out to be Swish Worlock back from judging a debate at the deaf school.

1:37—Swish can't convince Foss he's a master. Produces I.D.

1:40—Foss declares the I.D. false. Says he probably got it from Spier.

1:41—Swish demonstrates hookshot and proves identity.

1:45—Vye, ready to go to bed, kisses picture of James Dean, puts on red jacket over pajamas, and retires.

1:55—Yogi reels out of Sidles room after a three-hour display on hypnosis. Finds that he has hypnotized himself.

1:57—Barbour takes banana, looks fondly at picture inscribed, "To Ron with love, Gargantua," and climbs to his post in tree outside of Whipple.

2:00—Glass and Colvin get tired of writing "Around the Clock" and go to bed.

Get out of here, Yagil

Yet to me, what is this quin-
tessence of dust?

What was that you said about the
Crack Squad.

Terra Firma right right.

Alas poor Yarick, I knew him well.

Musburger will get me out of this.

I'm getting good at this.

Like this, Bragington?

Caught in the act.

Let's compare averages.

You'll read about it.

Not 'till we see the Whites
of their eyes.

That's not the Common Room, Ham.

So then he led us through a river.

No man, it's too piercing.

Smile, Ziggy.

Hail to Thee, Blithe Spirit!

'Twas the night before flight-time
And all through the dorms,
The tension was rising
In each of the forms.

The masters were notified
And appointments they took
Throughout all the night
To watch and to look.

With Sid in his collar
And Buzz in his cap,
Each deprived of a part
Of his long winter's nap.

Then out of the workshop
There came the loud cry,
"Grab the gas! Grab the prop!
We're ready now guys,

"We'll break the world's record,
And when they've adorned us
Those that have scoffed
Will regret they have scorned us."

From the dorms they came
With a force that was brute.
On Fallows, on Reed,
On McClave, on Hoot.

Then time for the flight,
So the tower clock pealed,
And all was in readiness
Down at Bell Field.

The moment was ripe,
A prayer was uttered,
The prop was spun,
The engine sputtered.

Then onward and upward
Into the night,
It soared without knowing
Of its oncoming plight.

For as onward it flew
Toward that record so distant,
"How all occasions
Did inform against it."

Just ten minutes later
Its left wing it shod
And met its destruction
In four feet of sod

The flight was a flop,
The alarm was all falsa,
And Schneider quotes, "Frailty,
Thy name is balsa."

Honeywell
Zone Control
gives you
luxurious comfort
all over your home

Zone Control means dividing your home into two or more comfort areas, each with a separate thermostat.

TYPICAL LIVING ZONE 1

Picture windows usher the outdoors right into this distinctive living room. Large windows, however, let in heat from the sun and winter chill. The living room thermostat adjusts for this, keeping that room comfortable—but not rooms with other exposures. Only Honeywell Zone Control, with its separate thermostat systems, assures even comfort *all over the house*.

TYPICAL SLEEPING ZONE 2

Sleeping areas, often on separate levels, are used at different times and have different exposure problems from those of the living room. This is why the sleeping area *cannot* be controlled by the living room thermostat. Your bedrooms should be *zoned* with a separate Honeywell thermostat system.

TYPICAL ACTIVITY ZONE 3

The extra room in your house, whether basement game room, upper level playroom or first floor den, will have different exposure and use problems from those of your living area. Naturally, you want these rooms comfortable when you use them. The ideal way is with a separate Honeywell thermostat system.

You Can Enjoy Even Comfort In All Parts Of Your House
In All Kinds Of Weather With Honeywell Zone Control!

For additional information and literature, call your local Honeywell office or your neighborhood heating dealer.
